DAY 1 – MONDAY, JANUARY 13, 2025 - HOME TO LIHUE (KAUAI)

Leaving the cold behind, we fly into Lihue, the Garden Island's capital city. You will be transferred to your idyllic island home on the beach for six nights, where you set your watch to relax time.

DAY 2 – TUESDAY, JANUARY 14, 2025

After breakfast, the morning is free for you to explore your new neighborhood and soak up island life. This afternoon, an authentic sugar plantation train will carry us past traditional crops like taro and sugarcane, well-known tropical produce including pineapple and bananas, and experimental plantings of noni and atemoya, among others. The train's knowledgeable conductor will narrate a historical account dating back to 1881 when the first three miles of rail were laid to move cane from the fields. You will soak in the sights and sounds of this working Hawaiian farm and even get a chance to feed the farm's resident pigs and other animals. Dinner this evening will be at a popular local restaurant where you get to know your travel companions and Tour Director.

Today's breakfast and dinner are included.

DAY 3 – WEDNESDAY, JANUARY 15, 2025 - NORTH SHORE

Today, we embark on a journey along the North Shore of the island, beginning with a visit to the iconic Kilauea Lighthouse viewpoint, the northernmost inhabited point in the Hawaiian Islands. Next, we'll cross Kauai's historic one-lane Hanalei Bridge to explore the fascinating Hā'ena State Park. After a relaxing stop at the beach, we'll continue to the charming and historic Waioli Huiia Church, affectionately known as the Green Church. Later, take some time to wander through the picturesque town of Hanalei. This town served as a filming location for the 1958 musical "South Pacific," the recent movie "The Descendants," and the TV series "Twin Peaks." Don't forget to visit Kauai Nut Roasters for a selection of exotic macadamia nut flavors before returning to the hotel.

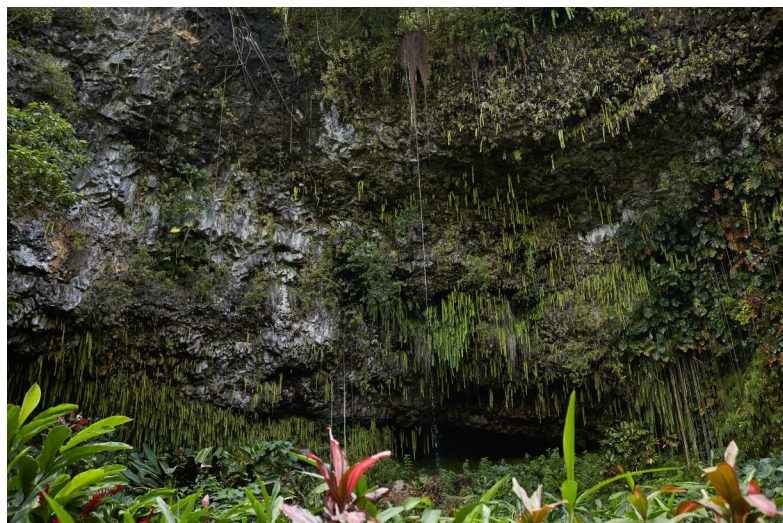

Today's breakfast is included.

DAY 4 – THURSDAY, JANUARY 16, 2025

After breakfast, your tropical journey expands with a day filled with nature, history, and culture. We drive through century-old eucalyptus trees. After a stop at the Hanapepe Valley lookout to see a historical tropical valley once a Hawaiian taro farm, we visit the Russian Fort Elizabeth State Historical Park, home to the last Russian fort in the Hawaiian Islands. The next historical monument in our day commemorates Captain James Cook, who landed at the mouth of the Waimea River in January 1778. Before returning to the hotel for a leisurely evening, we will marvel at the Grand Canyon of the Pacific, Waimea Canyon, from its jagged cliffs to the clear, bright blue ocean.

Later, we will enjoy a leisurely, guided boat ride on the Wailua River, Kauai's largest and longest river. Here, a short walk leads you to a natural

geological and botanical wonder, the Fern Grotto, where ferns grow inverted in a lava cave.
