

## Medical Provider – Hybrid (MA)

**Remote Status: Hybrid**

**Pay Range: \$108,000 - \$141,000 per year**

Edmund Enterprises is recruiting a **Medical Provider** for our client who is a Mental Health **Startup**. This company's mission is to provide whatever it takes to help people heal from addiction by delivering community-based, virtual & in person medical and behavioral health care and providing easy and fast access to treatment in the right place. Their services include opioid and alcohol use disorder treatment, with mental and physical healthcare services. This is a fast paced, growing startup with a dynamic atmosphere and mission to help people!

The Medical Provider [NP, PA, MD/DO] will provide whole-person care to people struggling with addiction. This includes treatment of substance use disorders in our opioid use disorder (OUD) and alcohol use disorder (AUD) programs, providing medication-assisted treatment in collaboration with our behavioral health team. Through our Responsive Care services, you will provide comprehensive medical and mental health services to our members, similar in scope to urgent and primary care services. We are a growing organization and are looking for people to grow with us. An ideal candidate will enjoy new challenges and thrive in a changing environment. If you are a caring, dedicated professional who possesses strong communication skills and a true desire to help others, this is the position for you!

In this role, you will interact with members and families, referral sources, field staff, and the local community-based organizations with whom we partner. You will work side by side with our licensed substance use and mental health counselors, helping our members find their way through their individualized recovery journey. Your work is essential to the members and your constant feedback will be expected to help them have the best outcome possible. Your support will allow members to receive quality care in their communities and help make a better life within reach.

Your work will be a combination of **telehealth and in-person care** at partner sites within the community. We offer access to care to our members between the hours of 9 am to 8 pm Monday through Friday, and from 1 PM to 5 PM on Saturdays. We offer full-time, part-time, and hourly positions.

### Position Description:

As a State Medical Director, you will play a pivotal role in our client's leadership and strategic direction within your designated state(s). Collaborating with the health team and reporting to the State General Manager, you will oversee clinical operations, quality assurance, and provider performance, ensuring exceptional member care following industry standards and regulatory requirements. About 40% of the effort will be dedicated to direct member care, 20% to clinical supervision, and 40% to administrative and leadership roles.
