Treat yourselves to the ultimate escape, designed for deep relaxation and connection.

Begin with a gentle steam sauna to warm the body, open the pores, and melt away tension.

Then sink into a luxurious warm bath infused with essential oils and a decadent bath bomb, served with sparkling wine and seasonal fruits.

Continue with a full-body sea salt exfoliation to reveal soft, glowing skin. Let your body fully unwind with an aromatherapy massage, a refreshing mini facial, and a soothing scalp massage.
