## Why You Should Consider Attending a Kairos Outside Weekend

There are many ways to participate in Kairos Prison Ministry. Here are just a few:

Do you or someone you know, have an incarcerated family member or friend? Were you incarcerated yourself and did not have the opportunity to attend a Kairos Inside Weekend while in prison? Are you struggling? Do you feel isolated and alone? Do you feel that no one understands your situation? Are you looking for support as you deal with your loved one's or friend's incarceration? If so, the Kairos Outside program is for you.

Kairos Outside provides a safe place, a loving, supportive Christian community, where Guests gather together to share the impact incarceration has had on them and their families. Most people in the outside world don't understand the pain of having a loved one or friend incarcerated. The Kairos Outside Weekend, and the continuing ministry following the Weekend, are designed to provide you with support, encouragement, and a loving, safe community where you can share your struggles and receive strength for your life's journey.

Weekends take place in most states, so you can participate no matter where your loved one or friend is incarcerated.

Consider participating in Kairos Outside. We have former Guests who would be happy to answer your questions. Call in or send your application today.

Kairos Outside  
Guest Brochure

for women impacted by incarceration

Kairos Outside is a 2 ½ day Christian Weekend designed to demonstrate God's grace and love through Christian support to women who have been impacted by incarceration.

In a safe environment with loving people, you will interact with other women who are in a similar situation to yours, while learning how to form small support groups to provide strength for the challenges you face in your life.

Spouses, parents and relatives of the incarcerated "do time" right along with their loved ones or friends. It is important for you

## The Kairos Outside Program

to understand you are not alone, and that there is a community that cares.

If you are 20 years or older, or if you were incarcerated yourself but did not have the opportunity to attend a Kairos Inside Weekend while in prison, you are eligible to attend a Kairos Outside Weekend.

The Weekend is based on a series of talks given by Kairos volunteers sharing their life experiences. You will have the opportunity to discuss the talks, and the Weekend will be interspersed with music, prayer, and fun activities.

The Weekend is Christian in nature although no religious affiliation is necessary to attend.

After the Weekend, you will have the opportunity to continue your participation in the Kairos Community by becoming involved with the continuing ministry of Kairos Outside. Through participation in S.W.A.P. (Share, Witness, Account & Pray) groups and Reunion meetings, members of the Kairos Outside Community support and encourage each other as they deal with the impact of incarceration on themselves and their families.

## The Weekend

The Kairos Outside Weekend starts at 6:00 pm on Friday evening and continues until 4:00 pm on Sunday. The Weekend is offered at no cost to you, our Guest. Transportation may be provided upon request, depending on individual needs, and availability.

The Weekend takes place at a camp or retreat center, meals and lodging are provided.

Kairos means "God's Special Time." We hope you will choose to participate in Kairos Outside, and that your experience will become strength for your life's journey.

Please contact us if you are interested in attending a Kairos Outside Weekend.

"I was shown unconditional love. I was told God just wanted to be my friend and I wanted so very much to have a friend. I clung to that simple concept like a drowning woman. This was the beginning of the journey to where I am today."

-Kairos Outside Guest

## The Team

Kairos Outside team members are Christians who come from many Christian denominations, and a variety of backgrounds. They are committed to ministering to those who have been impacted by incarceration. After attending a Kairos Outside Weekend many of our Guests become team members in order to share their Kairos Outside experiences with others.
