

THE WELL MINISTRIES

Savage-Prior Lake & New Prague TreeHouse

Hello Friends!

Wow! We have had a fabulous first quarter of this brand new year! 2021 looks to be a season of growth as well as giving! We are so very blessed. Several local organizations and churches have partnered with us to help us meet our needs! FaithPoint Church's JAM Kids (3-5th grade) collected goods from our needs list over the past several months and WOW! Also, we furnish meals at our TreeHouse support groups on Monday/Thursday evenings here in New Prague as well as Tuesdays in Savage! At the Savage location, we have every meal now through

July 1st being furnished by community organizations. We are growing very rapidly in the Savage-Prior Lake area and the need is great. We average 18-20 students weekly with over 35 enrolled in the program there! It is sometimes a challenge but I am so thankful to Bridgewood Church for providing a great space and for all our passionate and caring volunteers at both locations.

Thank you to Pastor Ben and everyone at Calvary Church for their love and support. We celebrated a baptism last month of one of our students, Alexander Burnham. So blessed to watch this young man grow in his faith and dedicate his life to Jesus! We are helping to change lives one student at a time!

Some new programs for 2021! We are now offering a Tweens Club one day a week. This is for students in 5th & 6th grade. We do crafts and activities, games, and it's their opportunity to just socialize and hang out! Next, we will begin a 2nd group called 'TreeHouse Connect' in Savage on April 15th! We are excited to be starting with the ALPHA program.

Thank you all for your love, support and prayers. It's our partners that help make things happen! We love you! Have a blessed Easter and SPRING! *Love, Jim and Deb Bodensteiner*
