

THE WELL MINISTRIES

New Prague & Savage-Prior Lake TreeHouse

Hello friends!

It's so hard to believe we are into August and the kids will be returning to school very soon. So far this summer the students have enjoyed Zorb soccer games, outdoor water balloon fun, fire pit with smores, and tubing the Cannon River! In June, we held our Annual Plant Hope Benefit Dinner (in-person) at Next Chapter Winery! Everyone had an amazing time! We are so very grateful to our event sponsors, our dinner guests (& donors), great food by Pizzeria 201, live music, a silent auction and our awesome volunteers that helped put it all together! We raised \$15,000! Wowzaa!

So very thankful and richly blessed. Thank you to everyone for your support so we can keep spreading the love of Jesus and ending the hopelessness among teens.

The youth center will launch into school-time hours beginning Aug. 30th! I would like to introduce two new faces that we have added to our team! Christina Miner of Prior Lake has been hired as our new TreeHouse Youth Program Associate for the Savage-Prior Lake TreeHouse. Christina is very passionate about helping teens, loves Jesus and has a background in social work and counseling! Welcome Christina!

Also, we have a new Program Assistant for The Well Drop-In Center. Amy Keilen of New Prague will help part-time with our afterschool programming such as our tweens club, and other activities...plus help with van pickup at the NPMS. Welcome aboard Amy!

Thursday, Sept. 9th, our TreeHouse Connect groups will restart at both locations. We are excited to show The Chosen TV Mini-series including the bible study! Every Thursday at 6:30pm, includes a meal and transportation! For students 7th-12th grade, we encourage them to bring friends!

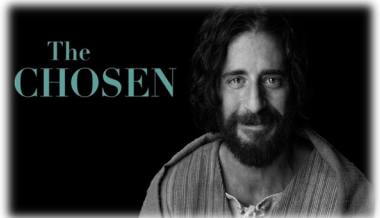

We are excited to hold our ANNUAL BACK TO SCHOOL BASH on Sunday, Sept. 12th, noon-3pm outdoors in our parking lot! We will have an open house, food, inflatables, games for the kids, and music by Timothy Price and the FRM Band! Music begins at 1pm...food available noon-3pm. Come on over!
