### The Response

TreeHouse creates a safe place for teens to belong.

-  **SUPPORT GROUP**
-  **CONNECT**
-  **MENTORING**

# Ending hopelessness starts when teens believe what is true and what is possible.

- ⬢ I am lovable, capable, & worthwhile
- ⬢ I am loved without strings & never alone
- ⬢ I have a future

No matter what I've done, or what's been done to me, I can work through it, reach my goals, and become stronger. My life isn't defined by this moment, but I have a future to look forward to.

- Elle, 18
