Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and of the homes situated upon the Properties, including exterior maintenance as provided hereinafter and maintenance of park area and/or trails owned by or controlled by easement in favor of the Association or with the permission of any owner that is a public entity.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be One Thousand Five Hundred dollars (\$1,500.00) per Lot. For the purposes of determining the amount of the maximum annual assessment, any assessments or charges levied pursuant to Article III, Section 7 and 11 and/or Article IV, Section 2 shall not be included.

From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above 10% by a vote of two-thirds (2/3) of the votes eligible to be cast at a meeting of the members who are voting in person or by proxy at a meeting duly called for this purpose.

The Board of Directors, by majority vote, may fix the annual assessment at an amount not in excess of the maximum.

Written notice of any meeting called for the purpose of taking any action authorized under Sections 2 and 3 shall be sent to all members not less than 10 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast twenty percent (20%) of all the votes eligible to be cast shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 5. Uniform Rate of Assessment. Except as provided for in Article III, Section 7 and Article IV, Section 2, annual assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly or other periodic basis, as may be established by the Board.

Section 6. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots at the sole discretion of the Board. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. The assessments may be collected on a monthly or other periodic basis by the Association. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors.

The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the association or a designated agent of the association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

Section 9. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall be deemed delinquent and shall bear the maximum rate of interest allowable by law. Should any assessment remain unpaid more than sixty (60) days after the due date, the Association may declare the entire unpaid portion of said assessment for said year to be immediately due and payable and thereafter delinquent. The Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien of such assessment against the property through proceedings in any court having jurisdiction of actions for the enforcement of such liens. No Owner may waive or otherwise escape liability for the assessments provided herein by abandonment of title or transfer of such Owner's Lot. The Board may withhold any service provided to any Owner who's assessment or special assessment remains unpaid more than sixty days after the due date, provided such withholding of service(s) shall not abate or reduce the amount of dues owed to the Association.

Section 10. Subordination of Assessments. The lien on the assessments provided for herein shall be subordinate to the lien of any first mortgage, and the holder of any first mortgage, on any Lot may rely on this provision without the necessity of the execution of any further subordination agreement by the Association. Sale or transfer of any Lot shall not affect the status or priority of the lien for assessments made as provided herein. The Association, if authorized by its Board of Directors, may release the lien of any delinquent assessments on any Lot as to which the first mortgage thereon is in default, if such Board of Directors determines that such lien has no value to the Association. No mortgagee shall be required to collect any assessments due. The Association shall have sole responsibility to collect all assessments due.

Section 11. Special Assessments for Capital Improvements and Extraordinary Expenses. In addition to the annual assessments authorized above, the Association may levy, in any

assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, or to account for the expenditure of any extraordinary and unanticipated expense of the Association, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes eligible to be cast at a meeting of the members who are voting in person or by proxy at a meeting duly called for this purpose.

The Association may provide exterior maintenance upon each Lot as set forth hereinafter.

Section 1. Assessments levied against each Lot may be assessed for, but not limited to, the following:

(a) Maintenance, including mowing, fertilizing and trimming, of trees and shrubs, lawns, and other exterior landscaping or other improvements as originally installed by the builder, except such improvements as may have been installed by or at the direction of an Owner, which improvements shall be the responsibility of the Owner. The Owner is responsible for replacement of all dead landscaping improvements after the one-year warranty period expires and the owner agrees to allow the Association to replace such dead landscape improvements at the expense of the Owner at the time of replacement and the Owner shall reimburse the Association on demand.

(b) Operation and maintenance of an underground watering system on each Lot, except that it shall remain the Owner's sole responsibility to provide water to such watering system and not interfere with the Association's operation and maintenance of such watering system. If any Owner interferes with such watering system, the Association's costs resulting from such interference may be assessed against such Owner's Lot, which shall be a lien against such Lot and may be recorded of record. Owner shall remain liable for any damage caused to such system by any act or omission of such Owner or Owner's invitee, licensee or guest; result of it performing its obligations hereunder;

(c) Providing trash pickup service for each Lot;

(f) Providing such other services or maintenance as may be deemed appropriate by the Board, by majority vote, or by the assent of two-thirds (2/3) of the votes eligible to be cast at a meeting of the members who are voting in person or by proxy at a meeting duly called for this purpose.

No repair, replacement, maintenance or other work ordered or otherwise requested by anyone other than the Association by and through its designated officers or property manager shall be the responsibility of the Association. Any repair, replacement, maintenance or other work

requested by any Owner shall be the sole responsibility of such Owner, whether or not such maintenance or other work shall relate to any responsibility of the Association.

Section 2. With the exception of improvements to Common Area and any duties undertaken pursuant to Section 1 of this Article, the Association shall have no duty to repair, replace or maintain any concrete surfaces, buildings, systems, fences or other improvements to the Properties, but may, at its discretion, in the event that any Owner of any Lot in the Properties has not maintained, replaced or kept repaired the premises and the improvements situated thereon in a manner satisfactory to the Board of Directors, the Association, after approval by a majority vote of the Board of Directors, shall have the right, through its agents and employees, to enter upon said parcel and to maintain, repair (including painting), restore and replace the Lot and the exterior of the buildings and any other improvements erected thereon, including, but not limited to any roofs, gutters, concrete, exterior walls, glass surfaces, doors, door openers, and cooling units for air condition systems which have not been so maintained, repaired or replaced. The cost of such exterior maintenance shall be added to and become part of the assessment to which such Lot is subject.

#### **ARTICLE V** **Architectural Control**

No fence shall be installed, constructed, erected or maintained upon the Properties, except fences installed, constructed, or erected by the Declarant. No exterior painting shall be commenced upon the Properties except such painting as shall be approved by the Association. The Association shall have the right to control what color paint is used, the type of paint and when painting is scheduled for all the Properties. In the event a homeowner refuses to paint in accordance with the Association rules and regulations, the Association shall have the right, but not the obligation, to paint the exterior as it determines and to levy an assessment against the Lot in the same manner as provided in Articles III and IV above. No building, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography, and in relation to other trees, shrubs and plantings, by the Board of Directors of the Association, its successors or assigns, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to act upon such design and location within thirty (30) days after said plans and specifications have been submitted to it, such failure to act shall be deemed disapproval. The Architectural Control referred to in this paragraph shall not be applicable to initial construction by any builder or Owner, the plans and specifications of which have been approved by the Declarant.

#### **ARTICLE VI** **Party Walls**

Section 1. Each wall which is built as part of the original construction of any dwelling upon the Lots, and which is placed on the dividing line between any adjoining Lots, shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules

of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. The cost of reasonable repairs and maintenance of any party wall shall be shared by the owners who make use of such party wall in proportion to the length of each Lot and party wall.

Section 3. If a party wall is destroyed or damaged by fire or other casualty, any owner who has used the wall may restore it, and if the other owner or owners shall thereafter make use of such party wall, such other owners or owners shall contribute to the cost of restoration thereof in proportion to such use, without prejudice, however, to the right of any such owner or owners to call for a larger contribution from other owners under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Notwithstanding any other provision of this Article, an owner who, by his negligent or willful act, causes the party wall to be exposed to the elements, shall bear the whole cost of furnishing the necessary protection against such elements and repair of damage caused by the elements.

Section 5. The right of any owner to contribution from any other owner under this Article shall be appurtenant to the land and shall pass to such owner's successors in title.

Section 6. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each owner involved shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and all owners shall be bound by any decision arrived at by a majority of all such arbitrators. Arbitration shall be governed by the terms of the Uniform Arbitration Act, to the extent consistent with the foregoing provisions.
