FAQs

"WHO WILL BE DOING MY HAIR?"

Our hairdressing and barbering students who are all fully supervised by our highly skilled training team.

"CAN I CHOOSE WHAT I WANT WITH MY HAIR?"

Yes. You will have a full, and in-depth consultation with our students which will also be overseen by the academy trainer. However, this will also need to fit in with the academy needs for assessments, so will be open to change.

"HOW LONG WILL THE SERVICE

TAKE?" As the students are training, appointments will take longer than an average salon visit. Allow around 4 Hours for Colour/Perming services and 1.5 Hours for cut and blow-dry.

*Please note this will vary from service to service. You will be advised of timings when booking appointment.

"DO I PAY FOR MY SERVICE?"

Yes. All services are chargeable but at a significantly reduced rate reflective of learning and service times.

*Any surcharges are agreed in advance at booking of appointment.

"WHY DO I NEED A SKIN TEST"

A skin test must be completed 48 hours prior to any colour Appointment to ensure you have no reaction to our Academy products. Even if you have previously had your hair coloured it is still a mandatory requirement to ensure your safety. If this is not completed, we will be unable to carry out your colour service.

*Skin tests can be completed between 9-5, Monday to Friday and can be carried out without the need of an appointment.

"CAN I BRING ANYBODY WITH ME WHILE I AM AT THE ACADEMY"

Due to the Academy being a training space, we ask that you do not bring anybody with you including children. Unfortunately, we are unable to carry out any services on persons under the age of 16.

"CANCELLATION POLICY"

We politely ask that if you are unable to attend that you give us at least 48 hours notice as this will allow us to resource another model prior to the day.
