FOR MEN & WOMEN

It boosts blood circulation in the scalp. The oil can be spread evenly around the scalp, sending nutrients directly to all the hair roots.

Benefits :

- ✔ Contains various minerals and vitamins that help to reduce the breakages of hair and reduce hair loss.
- ✔ Has rich ingredients that help to reduce dandruff.
- ✔ Act as a natural therapy to reduce hair fall.
- ✔ It provide instant relief from headaches especially stress-induced headaches
- ✔ Reduces hair loss and tames frizzy hair
- ✔ Improve the blood circulation at the root of the hair bringing more nutrients to support hair growth

Directions to Use

Step 1

Open the Ayurvedic Oil Cap

Step 2

Attach the Revolutionary Deep Roop Comb

Step 3

Place it on the affected area

Step 4

Press the bottle for the oil to flow

Step 5

Gently massage the scalp

Step 6

See the results in three months

For best results use thrice a week for 3 months

Tips

Massage the oil onto your scalp gently for 10-15 minutes. Use your fingertips to massage in circular motions and gently rub the oil and cover the entire scalp area. After you are done with the scalp, apply it up to the ends of your hair.
