### Commander's Report:

Welcome American Legion Family! Winter has arrived with a fury! I hope everybody is safe and in good health. We are all aware of many of our brothers and sisters who were without power for a long time. We appreciate all the "Buddy Checks" and members who continue to provide this level of support for one another.

Post 74 held a Middle School Essay contest; "I like living in America because...". The essay is to be handwritten. Our first-place winner is Ellie Cannon of Walker Upper Elementary. She will receive the "Gold Essay medal", Certificate of Appreciation and a monetary check. Her essay will be available for review in the Post library.

A thank you also goes out to our Food Committee Team for an outstanding job preparing and serving the meal for January; Roberta and Bob Humphreys, Dawn and Lowell Badgley, Connie Critzer and Randy Wood.

February is Black History and Legion Americanism month. We also celebrate two of our former President's birthdays, Abraham Lincoln and George Washington. On 6 February we will have the Four Chaplains Memorial at the Post. Start time is 2pm.

I received confirmation concerning flying the Blue Stars Service Flag. Administration policy 19 (AP-19) was signed in effect 8 Dec 2021; *"the service flag may be flown under the Commonwealth of Virginia State Flag, on the same halyard at the County Office Buildings (COB) McIntire location to honor the members of the organization...serving on active duty during a period of war or hostilities, to include honoring the local National Guard, 1st BDE, 116th Infantry members when deployed."*

In January, the Ceremonial Unit was called on to conduct services for three of our Post Members; Larry Tyler- Airforce, and David Bingler- Army. Our prayers and condolences go out to their family and friends.

In closing, please continue to make "Buddy Checks" not only to members of the Legion Family but your own families and friends.

For God and Country

Commander Bill Napier

### Shoveling Snow Safely

Did you know that blizzards, and even minor snowstorms, come with a **risk of death** by shoveling? It's true! Nationwide, snow shoveling is responsible for thousands of injuries and as many as **100 death each year**. So, why do people die shoveling snow? Shoveling snow seems like just another simple household chore, or so we thought.

**The American Heart Association** states that while most people won't have a problem, shoveling snow can put some people at risk of heart attack. Sudden exertion, like moving hundreds of pounds of snow after being sedentary for several months, can put a big strain on the heart. Pushing a heavy snow blower also can cause injury. And there's the cold temperatures. **Cold weather can increase heart rate and blood pressure.** It can make blood clot more easily and constrict arteries, which decreases blood supply. This is true even in the healthiest people. Individuals over the age of 40 or who are relatively inactive should be particularly careful.

National Safety Council recommends the following tips to shovel safely:

- Do not shovel after eating or while smoking
  - Shovel only fresh, powdery snow; it's lighter
  - If you do lift it, use a small shovel, or only partially fill the shovel
  - Do not work to the point of exhaustion
- Take it slow and stretch out before you begin  
 Push the snow rather than lifting it  
 Lift with your legs, not your back

Know the signs of a heart attack, and stop immediately and call 911 if you're experiencing any of them, every minute counts. Don't pick up that shovel without a doctor's permission if you have a history of heart disease. A clear driveway is not worth your life.

**Have a safe, warm, and dry rest of the winter!** God Bless!

## HELP WANTED & NEEDED

One of the goals Commander Bill Napier would like to establish is Legion members and our affiliates volunteering in maintaining the Post Home and Activities. Some things have to be contracted, i.e. electrical, sewer, and IT security. No one currently working at the Post is on our payroll, we are all volunteering our time and skills. Listed below are things we currently need help with:

1. Basic building maintenance– light bulbs, sweep of porches, clean hand rails, windows, shovel the walkways and deck when it snows.
2. Help with our food service in the kitchen– monthly dinner meals, taking out the trash after meetings ended.
3. Cleaning the post home monthly/twice a month– bathrooms, sweep/mop/toilets/sinks, vacuum rugs, dust sweep upstairs floor, sanitize tables and chairs.
4. Assist the Ceremonial Guard, flag folding/rifle squad, for local veteran funerals.
5. BINGO– Manager, needs to be present for all games, callers, at least 2 in order to have a back up. **This is a paid position.**

### Proposed changes in By Laws (1st reading)

1. Currently read: Section 6 – Duties of Finance officer, last sentence: “The Post will have an external audit of the financial records each year.”  
Recommend this sentence be removed.

**Reason:** superseded by the American Legion Department of Virginia Constitution.

2. Judge Advocate: Currently reads: Last sentence: “The judge advocate commonly has the duty, with other, of auditing post financial accounts. This is done annually, usually before the election of officers, or more frequently at their discretion.”

Recommend this sentence be removed.

**Reason:** superseded by the American Legion Department of Virginia Constitution.

Recommend the following new paragraph be added from the Department of Virginia Constitution:  
Post Audit

“The post commander shall appoint a 3 person audit team comprised of general members of the post to conduct an annual post finance audit to be completed before June 30th of each year and before new officers take office.”

“A report of the audit will be made at the general membership meeting and recorded in the meeting minutes.”

**To help those less fortunate and to help with membership, donations are being accepted in increments of \$35. We need 21 renewals/new to reach current goal of 85% by Feb 6th. A letter went out to all members who were in good standing but did not pay their 2021 membership dues. These members qualify for the National Commanders *New Membership Engagement Initiative*.**

**Greetings** Post 74 ALR members! I hope members continue to practice healthy and safe precautions for 2022 as it relates to COVID and riding. Even though May is National Motorcycle Safety Awareness Month, we're all responsible in making **EVERY** month safety Awareness month. This is a good time to review your owner's manuals regarding servicing your ride. It may require addressing very important maintenance recommendations. This sure beats a preventable breakdown as well as keeping you safe and your ride roadworthy. Thank you for your time and support.

January was National Blood donation Month, please let the Post know if you were able to donate in January or any month. Donating falls under one of our Four Pillars as it supports our community.

**New law makes free national parks access for veterans permanent.** In 2020, the National Parks Service granted veterans and Gold Star Families free access to parks and sites across the country. Over the holidays, the **policy became law with the signing of the NDAA**, which included the Alexander Lofgren Veterans in Parks (VIP) Act. Planning a national park visit? Another tip: Check the website for your state parks service—some offer free or reduced access for veterans. How to access this benefit: [Free Entrance to National Parks for Veterans and Gold Star Families \(U.S. National Park Service\) \(nps.gov\)](https://www.nps.gov/free-entrance-to-national-parks-for-veterans-and-gold-star-families)
