Commander's Report:

Welcome American Legion Family!

Thank you **Post 74 Judge Advocate, Pat Kelly**, for standing in, in my absence, at last month's general membership meeting.

Thank you goes out to the Food Committee and American Legion Riders for **preparing and serving** a great membership meal; Roberta and Bob Humphrey, Lowell Badgley, and Connie Critzer.

February is Black History month. Search the web for **The Doughboy Foundation**, under dispatch publications, to read on how African-American served during WWI and the impact they had. **National Salute Veteran Patients week is 12-18 February.** We are encouraged to set up a **visit to VA hospitals** or email mmwachur@vawarmemorial.org to receive more information on **sending letters or cards.**

We recognize **Curt Bean** for his outstanding job in teaching veterans how to play a guitar as part of the **Guitar for Vets Program.** The classes are held here at the Post on Mondays, 12-3pm.

On 24 January, The Red Cross held a **Community Service meeting** at the Post. Guest speakers from the **VA Crisis Center and Veteran Community Outreach** spoke on the policies and procedures available to Veterans in crises, free of charge. This is part of the **Veterans COMPACT Act of 2020.** This action is also key to the Legion's priority of "Be The One". Before the meeting concluded service agencies within our area shared what and how they can assist veterans and their families. Thank you **Patti Wilson** for coordinating this event. We hope to make it an annual event.

We will hold our annual **Four Chaplains Service on 5 February** at the Post. The service will start 5pm to give us time in converting the Bingo hall to a service-oriented setup. The public is welcome to attend.

On **10 February, 8-11pm**, the Legion Riders and SAL will be hosting a benefit dance with Mark Patterson and the Midnight Special Band. It is a BYOB (bottle) event with beer, soda, or water available for purchase. The Legion Auxiliary will be selling snacks and other goodies in effort to defray the cost in sending High School Juniors to Girl State. Tickets are **\$10 in advance or \$15 at the door** and purchased from the following people: Beverly at Sunday Bingo, Vicky at Tubby's restaurant, Sol or me at the Post. Come with your dancing boots/shoes and keep the good times tapping along.

In closing, please continue to make **"Buddy Checks"** not only to members but your families and friends.

For God and Country
Commander Bill Napier

 Condolences go out to friends and family of Post 74 members **Lindsay Dorrier**, 14 continuous years Vietnam War Veteran.

FOR THE GOOD OF THE LEGION

Military Honors for Army Veteran Harry VanTrees.

Randy Wood, Lowell Badgley, Robert Humphrey, Hugh Underwood and Phil Grimm.

As of Jan. 17, veterans in suicidal crisis can go to any VA or non-VA health-care facility free of charge. Eligible veterans include those discharged or released from active duty after more than 24 months **under conditions other than dishonorable**, members of the reserves who served more than 100 days under a combat exclusion or support of contingency operations. Victims of military sexual trauma/harassment incurred during their service time are eligible. Significantly, veterans need not be enrolled in the VA system to receive this benefit.

The American Legion shares the view that nothing is more important than saving the lives of the people who have defended our nation. It is why **Be the One** is The American Legion's top priority.

Under the new benefit, VA will provide, pay for or reimburse treatment and transportation costs for up to **30 days of inpatient or 90 days of outpatient care**. VA will also determine eligibility for other benefits and include referrals for follow-up treatments following the period of emergency suicide care.

Many incidents and issues contribute to a veteran experiencing a crisis. Access and affordability of treatment should not be among them.

If you are a veteran who may be struggling with suicidal thoughts, please call the 988 national crisis line.

ATTENTION: If you **renew for 2023** and are not able to make up for the years of missed payments, you will continue to receive the newsletter but will start the continuous years count at 1 year.

August marks the start of a new membership year, 2023. Your dues \$35.

Chaplain's Corner: Just a reminder, the annual **Four Chaplains Service** is being held at the Post Home on Sunday, 5 February 2023, at 5:00 PM. American Legion Posts all over the country will be holding their own version of this ceremony, honoring the service and sacrifice of four Army Chaplains who died at sea during the early days of World War II. If you have the opportunity, I encourage you to attend the ceremony; it is a moving story.

It was February 3rd, 1943, and the U.S. Army Transport Dorchester was one of three ships in a convoy, moving across the Atlantic from Newfoundland to an American base in Greenland. A converted luxury liner, the Dorchester was crowded to capacity, carrying 902 servicemen, merchant seamen and civilian workers. It was only 150 miles from its destination when shortly after midnight, the ship was hit by a German torpedo, far below the water line. The initial blast killed scores of men and seriously wounded many more.

Through the pandemonium, four men spread out among the Soldiers, calming the frightened, tending to the wounded and guiding the disoriented toward safety. They were four Army chaplains: **Lt. George Fox, a Methodist; Lt. Alexander Goode, a Jewish Rabbi; Lt. John Washington, a Roman Catholic Priest; and Lt. Clark Poling, a Dutch Reformed minister.**

Once topside, the Chaplains opened a storage locker and began distributing life jackets. It was then that Engineer Grady Clark witnessed an astonishing sight. **When there were no more lifejackets in the storage room, the chaplains simultaneously removed theirs and gave them to four frightened young men.** When giving their life jackets, Rabbi Goode did not call out for a Jew; Father Washington did not call out for a Catholic; nor did Fox or Poling call out for a Protestant. They simply gave their life jackets to the next man in line. One survivor would later say, "It was the finest thing I have seen, or hope to see, this side of heaven."

As the ship went down, survivors in nearby rafts could see the Four Chaplains -- arms linked and braced against the slanting deck. Their voices could also be heard offering prayers and singing hymns.

Of the 902 men aboard the U.S.A.T. Dorchester, **only 230 survived.** Before boarding the Dorchester back in January, Chaplain Poling had asked his father to pray for him, "Not for my safe return, that wouldn't be fair. Just pray that I shall do my duty...never be a coward...and have the strength, courage and understanding of men. Just pray that I shall be adequate."

For God and Country, Wayne Snyder Chaplain
