Commander's Report:

Welcome American Legion Family! This month marks the **Anniversary of the American Legion's beginnings, at the St. Louis Caucus in 1919**. By the end of the St. Louis Caucus, drafts of The American Legion preamble and constitution are approved, temporary officers chosen, a national convention site was selected, and the name of the organization becomes permanent.

Thank you to Curt Bean for continuing teaching/mentoring through **Guitar for Vets Program** held downstairs at the post home every Monday, noon to 4pm .

A thank you also goes out to the Food Committee Team for preparing and serving the April meeting dinner; Roberta and Bob Humphrey, Connie Critzer, Dawn and Lowell Badgley.

To my members and family, we are coming up on the 1-year mark of our Post Home "**soft open**", post COVID-19. Our intentions are to resume all activities and meetings prior to the shutdown in addition to a few new activities. BINGO on Sunday is still in TBA status as we search for someone to manage the program. Meanwhile, we are considering **Karaoke, breakfast/lunch gatherings and more dances as fundraisers to support** the many veteran and scholastic programs **encouraged by National; Boys State, Middle School Essay Contest, JROTC, Oratorical Scholarship, Boy Scout/Venture Crew, Junior Shooters, Youth Law Cadet, Veteran Affairs & Rehabilitation, Legion Baseball** to name a few. To make this work we desperately need volunteer to assist/organize these events. A **brainstorming session, for Post 74 Members**, will be held at the Post, **Saturday, 7 May at 10:30am**. If interested, please contact me at 804-512-5527, 2nd Vice Roberta Humphrey at the Post 74, 434-977-1050. These events will be open to all members, their families, and the community as we strive in building a rapport and letting people know what we are about, what we do and how we can help veterans and their family members. Also, we are holding a "Post-COVID" get together on 19 May at 1pm. The featured speaker will be **Mr. Paul Barbero**, author of the book "**A Far Cry From Green Mountain**", the story of **Sergeant Frank Peregoy** who grew up in Albemarle County and was awarded the Medal of Honor in World War II. This is to promote camaraderie and support for Legion Programs. Snacks and drinks will be available

In closing, please continue to make "**Buddy Checks**" not only to members of The American Legion, but your own family and friends.

For God and Country
Commander Bill Napier

Got ideas? Improvements?

We now have a **Suggestion Box** located upstairs, on the table, inside the double doors.

The wooden box has a lock on it and the contents will only be emptied and reviewed by the Commander or Adjutant.

Preparing for the Transition to 10-Digit Dialing to Enable 988 to Reach the Suicide Prevention Lifeline

On July 16, 2020, the FCC [adopted rules](#) to establish 988 as the new, nationwide, 3-digit phone number for Americans in crisis to connect with suicide prevention and mental health crisis counselors. The rules require phone service providers to direct all 988 calls to the existing National Suicide Prevention Lifeline by July 16, 2022.

During the transition to 988, Americans who need help should continue to contact the **National Suicide Prevention Lifeline** by calling 1-800-273-8255 (**1-800-273-TALK**) and through [online chats](#). **Veterans and Service members** may reach the [Veterans Crisis Line](#) by pressing 1 after dialing, chatting online at www.veteranscrisisline.net, or texting 838255

Director: Bob Humphrey , wrench58@embarqmail.com

Hello, Post 74 ALR. Good weather has arrived, hopefully many opportunities to enjoy memorable rides. **Before you start logging in miles please consider, all that apply to your ride, the following maintenance protocols, in addition to manufactures maintenance recommendation: Inspect, change and/or replace brake, rotors, gas, oil, differential, battery, fuel/transmission fluids and fuel lines, air/gas filter, battery terminals/case, cables, all lights in addition to headlight and controls. Take into account things that cause vibration; tires, depth of tread, pressure, potential bent rim.** Keep in mind, cages do not always see or are not looking for you on a motorcycle. Remember, a well-maintained ride helps to ensure your safe driving/handling. **Never drive beyond your comfort level.** Thank you for your time and support.

May 12: Military Spouse Appreciation Day

Military Spouse Appreciation Day is celebrated the Friday before Mother's Day, recognizing the sacrifice and support of military spouses. The holiday began in 1984 under Ronald Reagan, and subsequent presidents have begun the day with speeches or proclamations.

May 20: Armed Forces Day

On the third Saturday of every May, Armed Forces Day honors Americans serving in the military. It was originally designed to replace the days celebrating each individual service.

May 30: Memorial Day

Memorial Day is always observed on the final Monday of May. Memorial Day is the most widely recognized holiday out of the May military-themed observances. It began after the Civil War to remember the soldiers who fell on both sides during the war but grew to commemorate all Americans who died serving in the military.

May is a great month to celebrate our Military and fallen comrades. Hope you have a great month and enjoy these holidays in a special way!
