

I See It All On TV

Some kids like electric trains,
and some kids like to use their brains
To earn a university degree!

I don't share their thirst for knowledge.
I don't need to go to college.
Me, I see it all on TV!

Some kids like to sing and dance
And some kids like to go to Paris France,
While others visit Washington, D.C.

I don't learn a single thing
'Cos I can download anything.
It's all on my computer for free!
