

Giants in the Sky

When you're way up high and you look below
At the world you left and the things you know
Little more than a glance is enough to show you
Just how small you are

When you're way up high and you're on your own
In a world like none that you've ever known
Where the sky is lead and the earth is stone

You're free to do
Whatever pleases you
Exploring things you'd never dare
'Cause you don't care
When suddenly there's
A big tall terrible giant at the door
A big tall terrible giant with a terrible roar
