

Ready, Set, Not Yet (Adam)

Look at this crib

I know to the untrained eye it's boring

But nothing's a chore when you're restoring

Apart from frustration, pain, and financial drain

It's fun!

Folks say Adam

Why do you polish a crib when you don't have a kid?

And even if you did have a kid

This crib is too precious for placing a baby inside it

So it simply exists to remind you

Your sense of perfection is just a reflection that

You are not mentally prepared to make room for a kid

Adam, why don't you live?

Adam, just make a start.

Are you willing to take the next step?

Ready, set. Ready, set
