

Love is an Open Door

All my life has been a series of doors in my face
And then suddenly I bump into you
I was thinking the same thing! Because like
I've been searching my whole life to find my own place
And maybe it's the party talking or the chocolate fondue

But with you
But with you
I found my place
I see your face
And it's nothing like I've ever known before!

Love is an open door!
Love is an open door!
Love is an open door!

With you!
With you!
With you!
With you!

Love is an open door
