The Amen Corner

Worship: Standing in Awe

“I was there when He set the heavens in place, when He marked out the horizon on the face of the deep, when He established the clouds above and fixed securely the foundations of the deep. When He gave the sea its boundary so the waters would not overstep His command, and when He marked out the foundations of the earth. Then I was the craftsman at His side.” Proverbs Ch. 8 is a hymn describing wisdom’s role in creation, the “I” in the first and last verse could be translated “Wisdom” and/or possibly be referring to “Jesus”. Our Universe however, is so vast and different, there seems to be no end “Boundary” to what God created on the 4th day. The 19th Psalm written by David expands this thought wonderfully. “The heavens declare the glory of God; the skies proclaim the works of His hands. Day after day they pour forth speech; night after night they display knowledge. There is no speech or language where their voice is not heard. Their voice goes out into all the earth, their words to the ends of the world.” We humans have always been curious about the “ends of the world”. A Persian proverb says, “The night hides the world but reveals a universe.” As you are reading this, we have telescopes in outer space trying to find the end of the world as well as listening to any “voices” that might be out there. The God that deserves our worship spoke this massive creation into existence. Perhaps God was not “showing off” what He could do to confuse and confound the skeptics as much as He was creating a universe that reminds us believers to stand in awe of His Glory. Picking back up in Prov. Ch. 8 “I (wisdom/Jesus) was filled with delight day after day, rejoicing in His whole world and delighting in mankind.”
