FCC is hoping to collect information from our members pertaining to their next of kin and/or emergency contacts. This will help us in the event of an emergency to contact family or learn important information. Please contact the church office to update. Thank you.

We sang "Beulah Land".

I have been regaled often about NOT introducing "OUR" daughter! Amie Moore is our daughter. She and I have been wanting to sing at church. Obviously, she is talented!

This is newsletter worthy at your convenience.

Reconciliation Grant Applications

Through your congregation's giving to the Reconciliation offering (Sept 27 & Oct 4), the Commission on Faith in Action can offer grants to support the local reconciliation work happening in Oklahoma communities. Congregations can apply for a grant beginning today! The Commission will meet in early September to review grant requests and make decisions.

Amen Corner!

Last Tuesday we had a great Elder meeting and Board meeting. Our congregation has a great many volunteers who all work together to serve God in the church. Our Elders got to visit and go over the procedures for communion preparation, praying during worship, and we talked about the importance of flock visits, letters and calls. Hopefully in the next couple weeks you will get a letter informing you of who your elder is at First Christian Church. These spiritual guides of the church help me, your minister, keep up with things happening in our faith family.

Our Board met and discussed many of the facets of the church's ministry. There are so many ways we are at work sharing love, hope, and grace. There are ways that we make people's lives better with good food on Wednesdays, ensuring air conditioning works for Worship and Wonder (during church), providing care and support for those who've lost loved ones. We have some great leaders at church working together to provide fellowship opportunities through the year, organizing worship, protecting our physical property, bringing more people into church, and caring both inside and beyond the walls of FCC.

Thank you all for your continued work in making ministry happen here and beyond the walls of First Christian Church.

Many Blessings, Rev. John Wheeler

Post script. Two weeks ago I invited you to update contact information for your next of kin at the church. Some have responded. Many have not. Here is why it matters, at a funeral recently, I heard the following phrases, "I didn't know there was a problem," "I couldn't get ahold of [them]," "they fell through the cracks." Many of our members live alone, they have wonderful families that check up on them. Some of our members may not have that kind of support system. Feel free to update the office with information as you choose.
