Amen Corner!

Greetings all. If you have entered the local stores, you have noticed that it is time for back to school. In our community there have been some wonderful individuals and churches that have come together to collect school supplies for students. This is simply wonderful and allows families a little breathing room in their finances.

Our church has reached out to our youth group and we are providing backpacks for many of our teenagers. It is such a gift that the church has saved and made the effort to provide for our young Christians. This year the Duncan Public School system has set a policy that everyone will have a clear plastic backpack. So our church supplied these clear vinyl bags for our students to have a successful school year. Thank you all for your gifts to the church which help us to do good things in ministry for others.

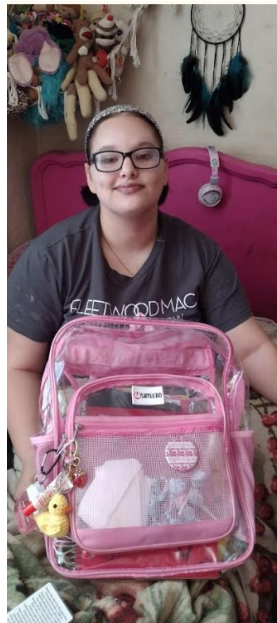

Our church has a grand history of reaching into people's lives to help make things better. Between our Care ministry, our World Outreach, Evangelism teams and overall church members going out and doing great things, our presence in the world is making a difference. There is something profoundly moving about doing good in our community and making a difference for others. It is one way that we participate in sharing the Gospel with the world.

Many blessings, as we seek to share Good News with the world all around us.
