

## Congregation Responds to National State of Emergency

Our nation continues in a State of Emergency due to the COVID-19 Coronavirus and the number of people testing positive is skyrocketing. To lower its spread, and to protect ourselves, the First Christian Church will honor the direction of the President of the United States until we hear word otherwise. We appreciate your support of our church and our nation. Stay safe!

### OFFERING

#### *Mail-In*

This week, I was surprised when someone asked me how to make his offering while we're not meeting in person. I'll share what I said: send it to the church, and thanks! 912 W. Walnut Ave. Duncan, OK 73533. You might personalize it by adding Reba Ford's name. Thanks for asking! —Arnold

#### *Text-to-Give*

During this time, we've made available a new way to give. Out of the abundance our God has given to you, now you can give back through "Text-to-Give". All you must do is text the word "Give" to (833)868-2068. After sending this text, you'll receive a reply with a link attached. Click on the link and follow the instructions. After completing the instructions, you'll be able to text the desired amount you'd like to give from then on, without going through the hassle of typing in your card info or going to the bank.

#### *ACH (Automatic Deposits)*

FCC offers ACH (automatic deposits). To sign up for automatic deposits, please contact Reba and she will send you a form to fill out and return with a voided check. ACH is processed on the 1st and 15th of each month. You may elect to have your contribution withdrawn from your account on either of those days or split so that equal amounts are withdrawn on each. ACH is a convenient way to make your monthly contributions and initial set-up is easy. Additionally, ACH can be discontinued by notifying Reba, should your situation change. If you have any questions relative to ACH, please call Reba.

## The Amen Corner

On Sunday morning, I came down to the church, and for a couple of reasons. One was to be here in case someone didn't get the word and showed up. The other is because there are few other places I'd rather be on a Sunday. On the way, I noted most all the church parking lots were empty, but not all. Days ago, the President of the United States called on Americans to gather in no numbers of 10 or more. Since then, the pandemic has only gotten worse.

Around the country, churches have gone to great lengths to be faithful to God and demonstrate a new patriotic duty, yet some still met. I know of one church that issued a statement that they were exempt from any such expectation, so they were going ahead. No touching, but breathing each other's air in a closed space. Worse was the preacher in Texas who bragged, "I'm raising up revivalists, not pansies!" Then, in the face of all the science and historical precedent and national need, he claimed they could continue to meet and do everything as they've done it before because they were a people of faith. Uh huh, sure. Then, he showed his hand. Rev. Big Talk talked about the churches that would close for several weeks and then come back together only to discover the congregations were gone and they were out of business. Well, looky there. I'm not thinking he continued with church business as usual in an unprecedented crises because he had faith, but because he had none. I appreciate the problem, but there are risks involved.

We've done well over the last few years in part because we've had no snow days, Sunday services canceled due to weather. Any time that happens, a church loses some momentum and the resources needed to operate and be in ministry. Now we face the Mother of All Snow Days. People could wander off to churches still gathering and regular offerings could decline a lot. I'm having faith this won't happen. My faith is in God and it's in each of us. We won't meet during this crises until we get word it's okay. We'll do this out of national solidarity, but more because we don't want to risk any of us, especially the most vulnerable of us, becoming ill. I'm always impressed faith is a two way street. We have faith in a God we can count on but God counts on being able to put faith in us. Now is not a time to fail on this. Stay indoors. Wash your hands. Pray for us all. Don't hoard anything!

Glad to be your pastor,  
Arnold

### I HAVE 2020 VISION

Dear First Christian Friends,

The April 7 date has been postponed to an undetermined time due to the COVID-19 Coronavirus, so let's not go down to our polling places that day, okay? In the meantime, I ask you to think about the many buses in the Duncan School District with over 200,000 miles on them. Some are so old, the district has to go on eBay in search of parts no longer made. None of these are as safe as newer models. I hope this will help us remember to vote for 2020 Vision when the time finally closes. And remember, it doesn't increase our taxes! In the meantime, the administrative staff of our schools are at our building preparing sack lunches for our kiddos. Pray for us.

Thank you,  
Koree K. Goldsmith, Principal  
Emerson Elementary School

## Thank You Notes

First Christian:

Thank you for the care package delivered to us on Monday. It was a great gift for the elderly. And, thanks for reminding us we are among those. Just to know we can call on you if needed is heartwarming. Keep those phones handy!

Love,  
Charles & Fran Boyd

Thanks to the angel(s) that left the goody bag at my door. I finally feel 'elderly' and it is a very wonderful feeling!!

Mary Frances Cox

The lunches delivered to our home during our illnesses were so good. The teams that prepared and delivered them to our home did so with love. Thanks to all who were involved. To the members who prepared and delivered the snack sacks, a big thanks for now but a hug when this virus scare is over. The snacks were so much appreciated by us. It made our hearts and tummies so warm and fuzzy. FCC members are so wonderful!

Love,  
Charles & Bettye Hunt

### CHURCH OFFICE UPDATE

For the next couple of weeks, I will mostly be working from home. It's possible my 8-month-old has asthma, so I don't want to take any risks with this virus. I hope you all understand. I will still be available by phone, as all calls to the Church Office (255-6116) will be forwarded to my cellphone during normal business hours (Monday–Thursday 8:00 AM to 5:00 PM and Friday 8:00 AM to 12:00 PM). You may also email me at [erica@fccduncan.com](mailto:erica@fccduncan.com). If you absolutely need to come by the office, please call or email me ahead of time to make sure someone will be there. If you would rather drop off your offering than mail it, feel free to place it in the drop slot on the side door of the office. I apologize for any inconvenience.

### MINDSET SHIFT DURING A PANDEMIC

I'm stuck at home. → I get to be SAFE in my home and spend time with my family.

I will get sick. → I will self-isolate and wash my hands, this will significantly DECREASE my chances of getting sick.

I will run out of items at home during self-isolation. → I have prepared for this and will use my items wisely. I have everything I NEED for now.

Everything is shutting down, I'm panicking. → The most IMPORTANT places, such as medical centers, pharmacies, and grocery stores remain open.

There is too much uncertainty right now. → While I can't control the situation around me, I CAN control my actions. Doing breathwork, calling loved ones, getting enough sleep and proper nutrition, prayer, and doing activities I love at home will all help during this time.

**An Officer came to my house and asked me where I was between 5 and 6, I replied, "Kindergarten."**
