~2025 Tag Rules & Regulations for Play~

- ❖ Bag Tag leagues are a great way to get to know other local players, to foster friendship, and create friendly competition within the organization. At the end of the day, keep in mind, this is in the spirit of fun! Be a good sport to your competitors.
- ❖ LVDC Tags league uses the free app uDisc available on apple and android phones to keep score. We can help you sign up for uDisc the day of an event but it helps to come prepared with an account already created and you do not need to purchase the premium or paid features of the app to keep score for any bag tag leagues.
- ❖ Bag tags come in 3 Divisions: Pro, Amaturer, and Ladies these tags are color coded and labelled to define the division that you will play in. Pro and Amaturer are skill based divisions and Ladies is a protected division of only females. Players can move between divisions at their request and exchange their current division tag for the next available tag for sale in the division they are moving to, players may also be moved after discussing with the TD if they are consistently finishing in the top 3 spots or cashing regularly in the other division. There are no fees to move divisions.
- ❖ Bag tags are distributed by the Lehigh Valley Disc Club (LVDC) ; the cost for a tag is \$16 and includes 1 year of club membership. All funds raised from tag and membership sales benefit the club directly and allow us to run events, work days, and club meetings as well as help us to run the league, and help maintain courses. Tags can be purchased from the club's official website www.lehighvalleydiscclub.org
- ❖ A tag holder may only possess one tag at a time. If a tag is lost, another may be purchased for \$5 if tags are still available, if the originally lost tag is found the higher number of the two tags is forfeited back into rotation.
- ❖ Tags are sold until stock is depleted and are redistributed annually at the LVDC Snow Bowl held at South Mountain the last weekend of January. When you purchase a tag after this event, you will buy in at the next highest tag available in your division.
- ❖ There are many ways to play/defend your tag. The simplest way is by playing rounds with other tag holders. At the beginning of the round, each player must present their numbered tag. After the round is complete, the tags are redistributed with the lowest score in each division receiving the lowest numbered tag and highest score receiving the highest numbered tag.
- ❖ Organized tag rounds will be held every Sunday on a rotating schedule of courses. Courses are Wehr's Dam, Camp Olympic, Jordan Creek, DeSales University, South Mountain, and Lake Nockamixon.
- ❖ Wild card rounds have the option to be travel tags or layout/format changes. All items will be decided by Poll on the official facebook group the week leading up to the wild card event.
- ❖ Sunday tag rounds are \$5 to play, which includes \$1 to the ace pot, and \$1 to the club. \$3 from each player will go to pay outs for each card winner. Max pay out for aces is \$75 unless the ace pot is below that amount. Eagles on Par 4's and 5's pay out \$25 from the ace pot.
- ❖ For Monthly events the Tag rounds are \$10 to play. \$2 to club, \$1 to ace, \$7 to overall payouts top 2 to 3 players depending upon how many players are present.
- ❖ Please stay until your tag is handed out at the end of the round, if for some reason you have to go you can pick up your tag at the next week's tag round. If you cannot make it to the next round your tag will be put back in play and you will receive whatever the highest tag number is for that round.
- ❖ If a tie occurs for the 1 tag all parties tied will go to a 3 hole Sudden Death play off for the 1 tag. If after 3 holes the match has not been decided all players not eliminated in the play off will go to a CTP to decide the winner. In the event of all other ties the tie is broken based on the players tag number in for that event. Card winner cash ties are to be settled by CTP or the players can elect to split the winnings amongst them.
- ❖ In the event that an outside influence impedes a weekly scheduled tag round (i.e. flooding, storm damage, unsafe conditions, or an event from another organization is in place in the park) the organizer may elect to swap courses in the rotation or move the round to a different course altogether, if absolutely necessary. We prioritize being good neighbors to those we share the parks with! Updates will be posted on the LVDC Facebook group/Page and on uDisc.

Tags are meant to be a way to foster friendly competition between tag holders. The objective of tags is to get the lowest tag possible and defend it as much as possible. Everyone will move up and down throughout the year, it's all part of the fun!

You are an ambassador to this sport & the property it is played on!!!

Be respectful of other players, pedestrians, and the courses.

PACK IN & PACK OUT YOUR TRASH – or find a trash can.

Pick up debris and fallen sticks on your rounds... **You can make a difference!!!**

VOLUNTEER!!

Attend a club meeting!!
