

Goochland Rotary Oktoberfest  
Craft Beer and Wine Festival

Event Day Logistics

1. We would love to have you make a site visit prior to the Goochland Rotary Oktoberfest to get a better idea of where you need to go the day of the event.
2. Day of traffic requires a little patience, with everyone unloading at the same time, we hope to have volunteers to help assist vendors to move things along.
3. The event map is an ever-changing work of art and subject to change. Everyone will be placed with the best interest of the event and the activity being shared, and we appreciate your patience and flexibility upon load-in. You may want to bring wood blocks to help level your tables and tents or exhibits.
  - a. Each vendor space measures approximately 10'x10'.
  - b. Your area will be marked with your name/business name on a sign in the ground.
  - c. Electricity availability is limited, bring extension cords.
  - d. Ice will NOT be available.
4. ENTRANCE GATE – there will be one main entrance gate for vendor set-up. Each vendor will park in the parking lot that is closest to your booth.
