## W3 Attributes of a Wealthy Woman Course

### One Key

I've been in Corporate America since the age of 21. I recall a recent incident. After my cubicle was assigned to me, I was given a key which unlocked the cabinet where my private files were to be stored. I noticed after several months that I had access to two more sets of cabinets behind me. For months I would think, "why did they assigned these other cabinets to me without giving me another set of keys?". I went on using just the one set of cabinets.

One day during casual conversation my supervisor asked to store some items for her in the cabinets that I did not use. I told her that I did not have keys to open those cabinets. She looked at me and said, "Didn't they assigned a key to you?" I said, "yes but they only assigned one key." She stated that's all you need. One key opens all of the locks." What a revelation. I had assumed since I only had one key, that I was missing the other keys to other cabinets. I laughed and thanked her. Immediately I heard the Holy Spirit say, **One Key** is all you need to unlock all that is locked, in your life.

In this body of work, I will introduce the Attributes of a Wealthy Woman. I designed this course in such a way that as each attribute is uncovered, transformation will be realized in every student who will yield to it. I believe the scriptures reveal hidden secrets which empower us to live rich and fulfilling lives. I believe hidden in all the attributes is **one key**. This one key is all we need to manifest success in our lives.

What is an attribute? An attribute is a quality or feature regarded as a characteristic or inherent part of someone or something. When I say an attribute of a wealthy woman, I am referring to her inherent parts, her features, her qualities. What is her makeup? What makes her tick? How can I become a wealthy woman? Thank you for asking...Let's begin.

Christ gave life to everything. He created everything. Christ is the "light". He is the illumination, the revelation, He is knowledge. It is imperative that I start here. The Law of the Universe is built on this foundation. In order to operate successfully in this world, do not waiver in this truth. God created everything through him, and nothing was created except through him.

When I speak of a Wealthy Woman, I am describing a spiritual being comprised of great wisdom, ability, influence, leadership and feminine power.

# Developing Your Capacity for Wealth

*If you need **wisdom**, ask our generous God, and he will give it to you. He will not rebuke you for asking.*

Wisdom is to be sought after. Asked for. It is to be received.

There is a very familiar account in the book of Genesis. It is known as the fall of man. Women have been the blame for this fall for centuries. *The woman was convinced. She saw that the tree was beautiful and its fruit looked delicious, and she wanted the **wisdom** it would give her. So she took some of the fruit and ate it. Then she gave some to her husband, who was with her, and he ate it, too.*

The woman desired wisdom. She was tricked. The serpent actually said to the woman, "God is trying to keep you from knowing what He knows". When the woman was created God created her like Himself therefore she **was** wisdom. The redemptive plan of God restored the woman back to her original status. Then God said, *"Let us make human beings in our image, to be like ourselves."* This fundamental truth has to be taken in faith. Believe it as you believe that gravity exists. Although it can't be seen, its existence is prevalent. You are like God. Accept it. Process this and put away any belief contrary. If you are like me. It's going to take a minute. Be patient with yourself. This is the cornerstone. The temptation to self-doubt often begins right here. Cast it away. This lesson begins a life of hope and freedom for you. A life of abundance.

*Wisdom shouts in the streets. She cries out in the public square. Listen as Wisdom calls out!*

*Hear as understanding raises her voice! Wisdom has built her house; she has carved its seven columns. She has prepared a great banquet, mixed the wines, and set the table. She has sent her servants to invite everyone to come. She calls out from the heights overlooking the city.*

*"Come in with me," she urges the simple. To those who lack good judgment, she says, "Come, eat my food, and drink the wine I have mixed. Joyful is the person who finds wisdom,*

*the one who gains understanding. For wisdom is more profitable than silver, and her wages are better than gold. Wisdom is more precious than rubies; nothing you desire can compare with her. She offers you long life in her right hand, and riches and honor in her left. She will guide you down delightful paths;*

*all her ways are satisfying. Wisdom is a tree of life to those who embrace her; happy are those who hold her tightly.*
