Meet Our Staff!

Dr. Declan O'Connor
Executive Principal
Founder
OconnorD@springfieldpublicschools.com

Like many Springfield students, I came from humble beginnings, and it was dedicated teachers who boosted my confidence and shaped my identity as a lifelong learner. Because of this I am committed to providing students with inspired teaching, by a culturally diverse teaching staff, that will foster our students' continued confidence and growth as learners.

My purpose is to help empower students to be active participants in their education, to ask questions and demand the best possible education for themselves. I believe that together, students and their families are the experts and together we can ensure healthy minds and high academic excellence in our students.
