Autumn Term 1

Welcome

We welcome our children back for the Autumn term and a big welcome to all our new starters and their parents. As well as our new children, we welcome two new members of staff, Mrs Bann and Mrs Lacey. We all look forward to working together over the next academic year.

Wrap Around Care

Our Breakfast Club and Stay & Play provisions began on 8 September and seem to be going very well. The children really enjoy the sessions and we know that parents have welcomed them too. The sessions run from 0730 to 0900 and again from 1500 to 1800. If you would like to book your child in for a session, please speak to a member of staff for more information.

Topics this half term

Little Wandle

This term we are learning nursery rhymes and looking at the following books in the Little Wandle scheme:

Kindness Makes Us Strong by Sophie Beer (friendship); How to say 'Hello' by Sophie Beer:

Master the Curriculum

Here we will be looking at colours and sharing books about colour.

Tapestry

Please keep checking your Tapestry account as we update it regularly with information on what is happening in Nursery. We also use it to send notices/newsletters etc so check to keep up to date.

Don't forget to send us a family photo on Tapestry. We put this on our Family Tree in nursery and the children love talking about their families.

If you have not already activated your account, please do so as soon as you can. You can download the app from Google Play Store or the App Store. Let the staff know if you have any questions or queries.

Don't forget to send us any WOW moments your child has had at home via Tapestry. We love to hear about what the children get up to and we really value your comments

Emergency Numbers

Please let us know if you change your mobile telephone numbers or address. **In the case of an emergency, we need to be able to contact parents**

and carers.

Illness/sickness

The Government have advised that any child with a high temperature (38C or more) is advised to stay

at home and avoid contact with other people. The guidance states that "they can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend."

If your child is ill or has sickness or diarrhoea, please keep them at home for 48 hours after symptoms have cleared.

If you are unsure when your child should return to nursery, please ask a member of staff. We need to limit cross infections. If staff are sick, we cannot operate.

Non-prescription medication will **NOT** be administered. If your child needs Calpol or similar, they are not well enough to come to nursery.

Any child taking medication, including antibiotics, **must not** return to nursery until the medication has been administered for 48 hours at home to ensure it has begun to take effect and there are no adverse reactions.

Please see a staff member to complete the paperwork if any prescribed medication is to be administered during the Nursery day.

Bags

Please make sure your child has at least one spare set of clothes in their bag each day. Would you also make sure all clothes and belongings are labelled with your child's name.
