

THE LITTLE LOT NURSERY

Chargeable extras

The below calculations are based on a child accessing a 30 hour funded place. Early years funding is for 38 weeks, however some providers do offer less hours a week but over more weeks of the year.

Government funding is not intended to cover the costs of meals, other consumables, additional hours or additional services. Parents should expect to pay for these services when offered by their chosen provider. Where a parent is unwilling to purchase these additional service, it is reasonable to expect your chosen nursery to ask you to provide your own equivalent items.

Here at The Little Lot Nursery we offer funding over 48 weeks of the year.
