

THE LITTLE LOT NURSERY

March 2026 Newsletter Spring Term 2

Welcome to the children who have started with us this term. We are all looking forward to the better weather and the activities we have planned for everyone.

Staffing

We would like to announce that our lovely administrator, Eleanor Haines will be retiring after the Easter break. Eleanor has been a valuable asset to our team for 9 years and both staff and children at Little Lot will sorely miss her. We would like to take this opportunity to thank her for all of the hard work and dedication that she has put into her role at the nursery and wish her all the very best during her well-deserved retirement period.

We would also like to welcome our new Nursery Administrator to the team, Beth Fogg.

Living Eggs

The children have been very excited that our hen eggs arrived this month. The children have loved watching each egg hatch one by one and looking

after the chicks with nurture and care. This event has been a great learning experience for us all!

Donations

This term we are kindly asking parents if they would like to donate any plants for our Nursery garden. This would be greatly appreciated and help us to give the garden a beautiful summer makeover!

Topics this half term

Little Wandle

This half term we have been focusing on the letters 'U, K, H, B, F and L'. The children have also been diving into books all about chicks! It has been very fun and exciting linking the stories to our very own nursery chicks.

Master the Curriculum

We have been learning all about height in nursery this term and using language such as 'tall' and 'short'. We have also looked at weight, mass, and capacity.

Tapestry

We use **Tapestry** to send you notices/newsletters/reminders etc - please check to keep up to date with what's going on in the Nursery. **You can download the free app to your phone to make life easier.** Let the staff know if you need any help with this. Also, please don't forget to send us a family photo on **Tapestry** and tell about any WOW moments your child has had at home. We love to hear about what the children get up to and we value your comments

Medicines in nursery

Non-prescription medication will **NOT** be administered at the nursery. If your child needs Calpol or similar, they are not well enough to come to nursery.

Any child taking medication, including antibiotics, **must not** return to nursery until the medication has been administered for 48 hours at home to ensure it has begun to take effect and there are no adverse reactions.

Please see a staff member to complete the paperwork if any prescribed medication is to be administered during the Nursery day.

Holidays

We close for the Easter holiday on Thursday, 2 April and reopen on Tuesday, 21 April 2026.

Our term dates for this academic year 2025/2026 and for 2026/2027 are available on our webpage along with policies and more information about the nursery - <https://littlelotnursery.co.uk/>
