

THE LITTLE LOT NURSERY

# Spring Term 2 Newsletter

2024

## Comic Relief/Red Nose Day

The actual day is on Friday, 15 March, however, to ensure all our children have a chance to take part we are asking that they wear something red during the week (hair bobble/tee shirt, socks etc). We are also holding a cake sale to raise Red Nose Day funds and we'll put a notice about this on our notice board.

## Living Eggs

We are very excited that our hen eggs will be arriving on 11 March for two weeks. The children

always love this event and it is a great learning experience for us all! We are asking for a volunteer family (no cats or dogs please) to have the eggs/chicks for the weekend of 15 March. You will be provided with full instructions and food for the chicks.

## Name the Chicks competition

We have three lovely soft toy chicks for you to win in our competition! We will be holding this to raise funds for a new, interactive screen for the nursery. We have had a very competitive quote but we still need to raise £1,000! Any funds from this will go towards the screen.

## Funding raising

We are a charitable, not-for-profit nursery and all our funds come from you! Currently we would love some donations of plants and herbs for our garden and pots. If you have anything suitable, please let us know – and a big thank you from us all in advance!

## Antibiotics in nursery

If your child is prescribed antibiotics, please complete our Request to Administer Medication form available from the Nursery or use this QR code to access it on our website in the Parents Information section and either email it to us or drop it off. We cannot administer antibiotics until the child has been taking them for at least 48 hours to ensure there is not reaction to the medication.

## Topics this term

This term we are looking at the following books:

Dear Zoo

The Very, Hungry Caterpillar

Daisy and the Egg

We will also be talking about Spring/Easter.

As part of these Spring activities we are taking part in the World Down Syndrome Day sunflower challenge and the children will be planting sunflower seeds and will be able to take them home later this term

## Holidays

We close for the Easter/Spring holiday on Thursday, 28 March and reopen on Monday, 15 April. Our term dates for the rest of the academic year and for next year are available on our webpage:
