K-6<sup>th</sup> PE \$65/month

At Ohana Enrichment Academy, our mission is to provide a nurturing and enriching environment for homeschooling families in the Yuba/Sutter area.

Through a diverse range of classes and activities, we aim to empower students to explore their interests, cultivate critical thinking skills, and foster meaningful connections.

Ohana Enrichment Academy is dedicated to providing individual learning for all of her students. Learning should be fun, energetic, and engaged in nature as often as possible. We look forward to working with you!

Fall Semester: September 8<sup>th</sup> - December 19<sup>th</sup>
