

Ohana Enrichment Academy Class Descriptions

Fall Semester: September 8th - December 18th

Early Literacy & Math

This class builds strong foundational math and reading skills through hands-on practice. Students will engage in level-appropriate activities that support early decoding and confident reading development.

ASL (American Sign Language) & Cursive

Students will learn the basics of American Sign Language, including the alphabet, common signs, songs, and simple conversations. Combined with cursive, this class is hands on fun while building communication skills.

PE (Physical Education)

Our PE class helps children develop coordination, teamwork, and a love for movement through games, activities, and skill-based play.

Science

Students explore the natural world with hands-on experiments, and inquiry-based activities. This class fosters curiosity, and an appreciation for science in everyday life.

History/Mystery/PE Combo

History comes to life in this interactive, mystery-based class where students become detectives of the past. Each lesson presents a historical event as a problem to solve, encouraging students to work together, think critically, and uncover clues through hands-on activities. With built-in movement and active challenges, this class keeps kids engaged and develop a deeper understanding of history.

Drama

Build confidence, creativity, and self-expression in this fun, high-energy drama class! Students will explore acting through games, movement, and short performances while learning how to use their voice, body, and imagination to bring stories to life.

Art

Explore creativity without limits in this mixed media art class! Students will experiment with a variety of materials and techniques to create unique, hands-on projects while building confidence, imagination, and artistic expression

TK/K Basics

Build a strong foundation for your little learner in this engaging 2-hour TK/Kindergarten basics class! Students will explore letters, numbers, colors, shapes, calendar work and more through hands-on activities, songs, and play-based learning. With a focus on creativity, sharing, and social skills, this class creates a fun, supportive environment where young learners grow in confidence and curiosity.
