

BREFFNI

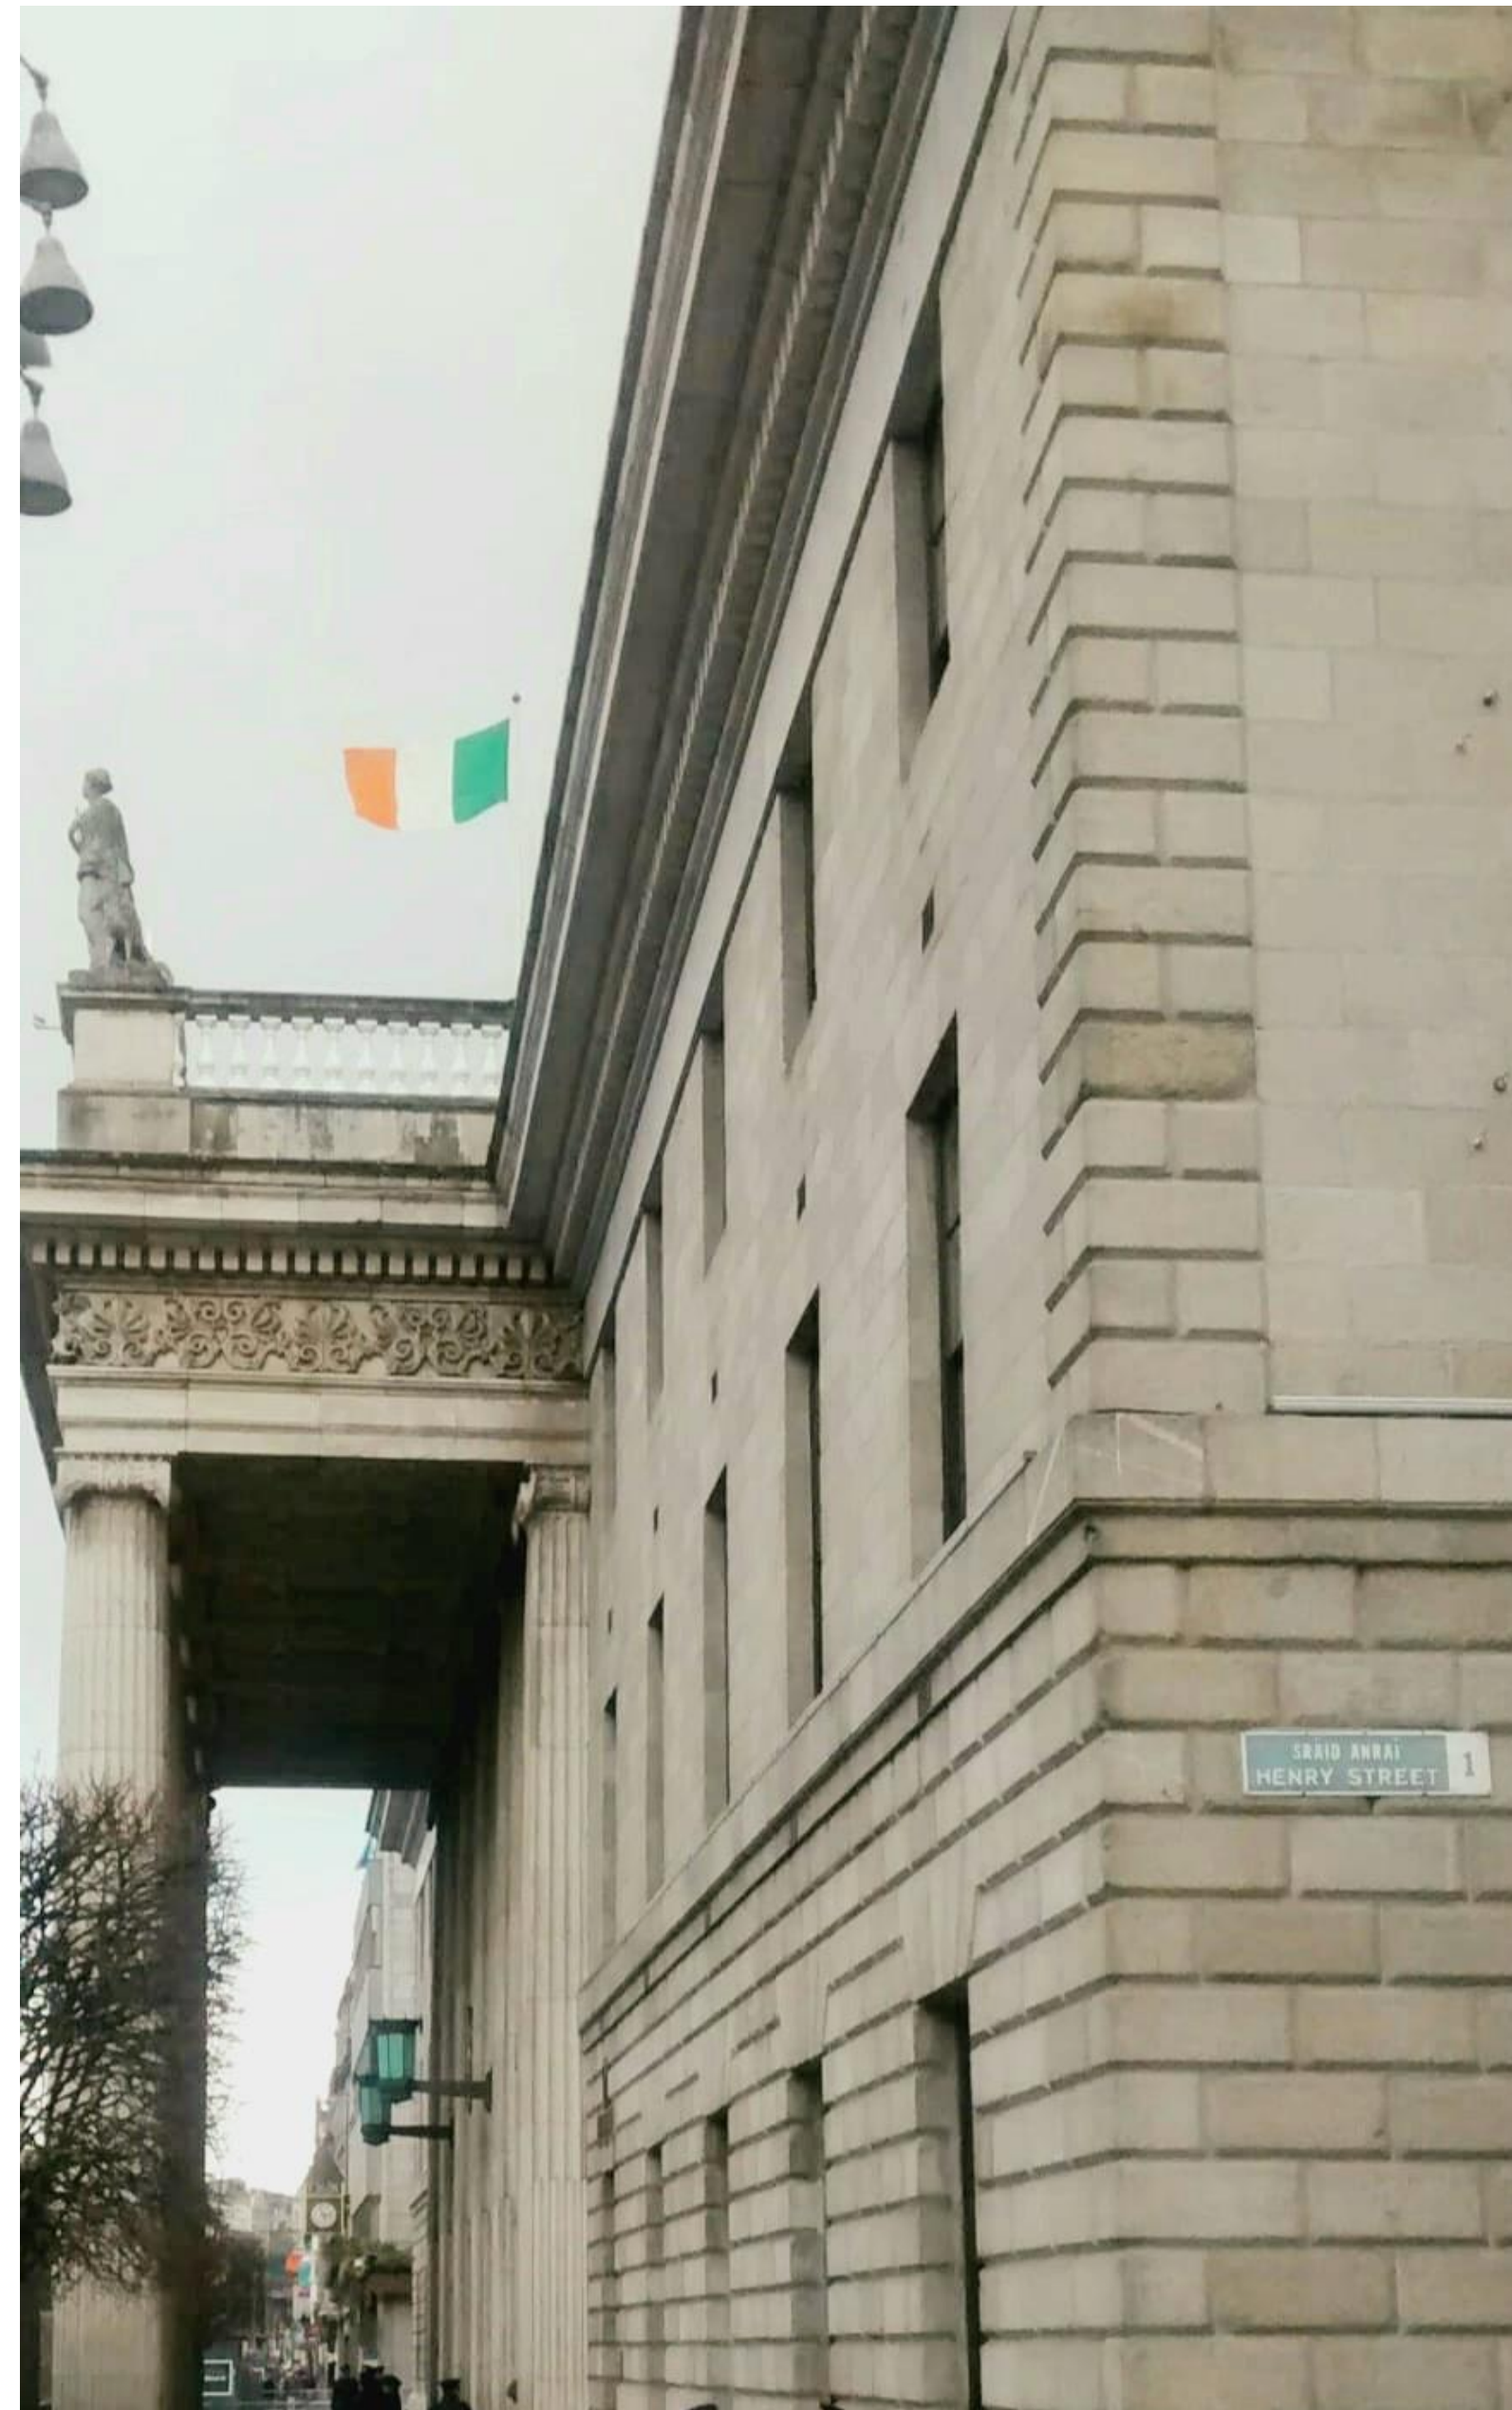

RESTORATION

Restoring the Past, Building the Future

Company Profile

Story

Established in 2017, Breffni Restoration is a construction company that provides construction services in Toronto and the GTA. Our slogan is “Restoring the Past, Building the Future”. To work with like-minded industry professionals to restore heritage buildings to their original glory, while preserving their unique charm. We specialize in **Stone Masonry**, **Heritage Restoration**, and **Traditional Plastering**. Trained in traditional methods in Ireland, with over 10 years of hands-on experience in Toronto building and restoring brick and stone facades and stone carvings. Breffni Restoration has its feet firmly rooted in the past and the future, with a deep respect for quality, modernity and history.

GPO Building, Dublin, Ireland

Mission

Our company exists with a mission—to *Restore the Past and Build the Future.*

We are passionate about what we do.

Restoring heritage buildings to their original glory, and building new masonry structures.

Ultimately to provide our clients with the highest level of quality at fair and market competitive prices.

BreffniRestoration.com
