## CONTACT SOUTH COAST DEMOLITION FOR A FREE COMPETITIVE QUOTATION.

South Coast Demolition was established in 1989 and has undertaken many exceptional contracts from property developers, building contractors and private individuals along the south coast of England. We are a family run business with a great friendly and helpful team.

South Coast Demolition maintains the highest standards of health and safety and it is regularly reviewed and updated by our professional health and safety advisor.

As a company we offer competitive quotations, we have a salvage yard enabling us to lower cost of demolition by offsetting the value of any salvage.
