# FAQs

## What should I expect in an Art Up+ session?

Aside from experiencing the “Deconstructed Old Manila” interior of Estoria Manila, you will be relaxed and motivated to bring art in your life, your work, and your family, after finishing the group art session. Even if you have never painted before, our Artists/Instructor from Art Show Philippines will guide you step-by-step on how to paint a “masterpiece”.

At the end of the group activity, expect to be awed at your *Obra* which is yours to bring home.
