# BIOMENTUM®

## SOLUTIONS FOR EVERY LANDSCAPE

Natural biological nutrition designed to improve soil health, strengthen root systems, and support healthy growth from the ground up.

### TREE CARE SOLUTION

#### IDEAL FOR:

- Shade Trees
- Ornamentals
- Evergreens
- Newly Planted Trees
- Mature Trees

#### BENEFITS:

- Stronger, healthier soil biology
- Stronger root development
- Improved nutrient uptake
- Natural disease resistance
- Healthier, longer living trees

### LAWN CARE SOLUTIONS

#### IDEAL FOR:

- Residential Lawns
- Commercial Lawns
- Athletic Fields
- Golf Courses

#### BENEFITS:

- Greener lawns
- Stronger root systems
- Improved soil structure
- Reduced thatch
- Naturally healthier turf

### GARDEN EXPLOSION

#### IDEAL FOR:

- Vegetable Gardens
- Raised Beds
- Flowers
- Vineyards
- Nurseries
- Orchards

#### BENEFITS:

- Bigger harvests
- Healthier plants
- Better blooms
- Stronger roots
- Improved soil biology

ONE SOIL.  
ONE BIOLOGY.  
ENDLESS  
POSSIBILITIES.

### FARM PROGRAM

#### IDEAL FOR:

- Field crops, pastures, and cover crops
- Regenerative and organic systems
- Biologicals-friendly farming programs

#### BENEFITS:

- Improves nutrient efficiency
- Enhances soil biology
- Promotes strong root systems
- Increases yield potential
- Healthier livestock and forage

#### FEEDS SOIL BIOLOGY

Revives microbial life and soil diversity

#### BUILDS SOIL STRUCTURE

Improves aggregation and water infiltration

#### STORES MORE WATER

Increases water-holding capacity

#### BETTER NUTRIENT HOLDING CAPACITY

Reduces nutrient loss and runoff

#### HEALTHIER PLANTS

Stronger plants and more resilient to stress

#### NATURALLY SUSTAINABLE

Works in harmony with nature for long-term results

Heal-thy Soil. Heal-thy Plants. Heal-thy Self.
