

QUINT SHARKBAIT ADVENTURES

The instructions for Quint Sharkbait are fairly simple.

1. Take him on an adventure (or two), and take pictures.
2. Post the pictures to Instagram, and use the hashtag #quintsharkbait, along with the location.
3. Email the photos to marketing@rpmdisplays.com with the location of Quint's adventure(s).
4. Send Quint to a new location within a month. The farther you can get him to travel, the better! (He would like to make it to all 50 states!)

Quint is waterproof, and shatterproof (unless it is below zero), but please clean him before you send him on.

Please send this laminated copy of the instructions on with him - if you would like a copy of your own for a memory, you can download them at www.quintsharkbait.life

Thanks for participating!!
