## PROFESSIONAL UNICORN

**Jenifer Joy:** I am a multi-faceted unicorn with a diverse background in education, entertainment, and entrepreneurship.

JenUwin was born out of my desire to harness my unique and varied talents to positively impact others. *Source & Share Joy* is my motto.

My original shows, programs and content are a dynamic fusion of classical, world folk and modern music, saxophone melodies, enchanting unicorn storytelling, and interactive, educational entertainment designed to energize and engage audiences.

## JENUWIN CREATIONS

### Show: National Unicorn Day

A captivating unicorn show that combines musical storytelling with playful prancing and dancing. This engaging performance includes whimsical bubble tricks, elements of science magic, and a variety of musical instruments, complemented by karaoke and audience interaction. The narrative heart of the show is a tale about chasing your inner sparkle, overcoming challenges, and sharing joy. It's enriched with intriguing unicorn facts from mythology, history, and lore, offering a delightful and oddly educational experience for all. Featuring the hit song, Purple!

### Book: JenUwin the Traveling Unicorn

Join JenUwin on a global adventure through her letters, where she shares the wonders of nature, culture, food, animals, and intriguing stories from various countries. Each letter is a gateway to exciting new worlds, accompanied by authentic photographs from Joy's travels, along with engaging activity sheets and coloring pages to bring these vibrant experiences to life.

### App: JenUwin the Unicorn

A Keynote concert featuring the fascinating history and dynamic repertoire of the classical saxophone. Featuring speaking and playing, you'll be guided down a unique journey of the importance of music with a special spotlight on the classical saxophone.
