Lodge Corner

Hello! The lodge is back up to full speed this weekend. We have all the pizzas, sandwiches, and baked goods ready to go. This year, all food will be made from scratch, with the exception of gluten-free pizza crusts. We will have more gluten-free options available this year, so please ask if this is something you need. We do follow as many precautions as we can for gluten contamination, but are not 100% guaranteed to be celiac safe, as we have many flour products made on the same surfaces and baked in the same ovens. We have added another type of breakfast sandwich, and will have more options & specials for ice cream sundaes!

This week's specials:

Pizza: Spicy Hawaiian Deluxe

Cookie: Biscoff Butter

Italian Soda: Chocolate Covered Cherry

Sundae: Toasty Coconut

Baked Good: Blueberry Muffins

Caramel Rolls & Iced Cinnamon Rolls will be available, too!
