Names: Gene & Sharon Nayes

Lot #: 91

Years Camped Here: 7

What is your favorite thing to do at the campground?: Relaxing on our deck and crafting.

What is your best campground memory?: "Several years ago our two granddaughters came flying back to the camper and needed a chain or rope to pull two 'old' ladies who were stalled. Gene gave them a rope, and minutes later, they came over the hill pulling our neighbors (Darlene Clifton and her sister-in-law, Deb). Still laugh about it today. Those 'old' ladies are considerably younger than us.
