BOARD OF DIRECTORS

Dear Kings of Spring,

Kara Geib
Chair

Once again I thank you for your continued assistance to Mid City Nutrition Program!

Richard Badley
Vice Chair

2023 was quite a year for us. We had unprecedented growth through the Spring and Summer, and now serve as many as twice the guests we used to in a day. The need in our community for our services has been very apparent, and the need for our new facility even greater. We are now waiting on our appliance delivery to start the sprint toward the end of construction. In December, the giant soup can went up on the façade so there's no mistaking what the building will be! We can't wait to be in our new space.
