DOWNTOWN BOWLING GREEN
SPECIAL IMPROVEMENT DISTRICT
& THE DOWNTOWN FOUNDATION

The mission of the Downtown Bowling Green Special Improvement District is to **preserve** and **promote** the **cultural, historic,** and **business heart** of the City of Bowling Green, Ohio through The Downtown Foundation.

2022 Goal:

We want to **fulfill** this mission through **four city-wide projects** that have been researched to have a **positive impact** on the city.

Your thoughtful consideration of one of these projects would be greatly appreciated.

DOWNTOWN SPEAKER SYSTEM

A speaker system in downtown Bowling Green will play music at special events and during the holidays as well as be a resource to share news and emergency information.

Approximate cost: \$120,000

ALLEY REVITALIZATION & CONNECTIVITY

Imagine the alleys of Bowling Green as picturesque destinations within downtown with lights, artwork, vegetation and seating. We will beautify the spaces that connect our downtown.

Approximate cost: \$10-80,000 per alley

HOLIDAY DECORATIONS

Make shopping downtown at our locally owned shops even more special with holiday decorations that will become a destination for out of town guests and residents alike.

Approximate cost: \$86,000

CIGARETTE RECYCLING UNITS

Cigarette disposal is a necessity with 22% of Ohioans still smoking. With inconspicuous recycling units we can make the disposal of them more green and discrete. The plastic filters from these units will be recycled to make new products.

Approximate cost: \$60,000
