# LOVE

The Heart We Grew  
Together

For AA's, by AA's, about AA  
with Al-anon participation

37th Heart of England Convention  
23<sup>rd</sup> -26<sup>th</sup> July 2026

## More than just a room

First sober dances. Strangers becoming friends.  
Shares that changed something inside.

For some, stepping through the doors brought excitement, fear, or the surprise of familiar faces after years apart. Moments like these have woven the memories that live in this convention — shaped by those who came before us, those who return, and those yet to arrive.

In 2026, come and be part of the heartbeat that keeps the Heart of England alive. Bring your memories to the 2026 convention, so that we can celebrate our 40th anniversary in 2027 together, enriched by both cherished and new experiences.

Create memories in 2026 and join the history that forms the Heart of England.

Visitor passes and non-resident convention code bookings will be released only after meeting our group room commitment. Updates will be shared on our website and WhatsApp channel. Thank you for your patience as we ensure a successful convention for all.
