

The Heart We Grew Together

By AA's For AA's, About AA's, Supported by AA Groups.
With Al-anon Participation

A laugh in the corridor.
A dance with, or without fear.
A share that stayed with you.
The hug you'd waited a year for.
The place where strangers became family.
LOVE - Heart of England Convention.

In 2026, some things will be a little different. This slight change aims to help us keep the event open for all who wish to attend.

Visitor passes and dinner vouchers will be released later than usual, once our room commitment with the venue is met.

This secures the space we need to run the full programme and welcome everyone.

Visitor passes will be announced at least one month before the event, and dinner vouchers no later than two months before on our website and WhatsApp channel. Thank you all for understanding.

23-26 July 2026 – Hilton Birmingham Metropole****

MORE THAN JUST A ROOM

Do you remember the first time you walked through these doors?

The faces you hadn't seen in a year, the hugs that felt like home.

The nights that turned into mornings, the stories that made you laugh until you cried, the shares that carried you long after you left.

This is where love grew, where memories were made, where our heart found its rhythm. In 2026, bring your memories, as we prepare to celebrate 40 years together. New or returning, the Heart of England keeps beating to welcome you with the same Love it has shared for decades.
