RE: Letter of Recommendation for Amy Clark

To Whom It May Concern:

I had the pleasure and opportunity to work with Amy the past five years at Windstream Communications. Amy excels at sales, networking, follow-up, customer support, and always took the approach of doing the job "right" the first time. She is extremely competitive and likes to win, but also balances that with a willingness to help her fellow associates succeed. Amy is an annual company award winner because she does an incredible job in her current role driving incremental revenue and providing tremendous customer support.

You'd be lucky to have Amy on your team

Respectfully yours,
George Easley
