Global Business Development Sales Manager - Industry Solutions

July 24, 2024, W.T. managed Amy directly

I had the distinct honor of working with Amy as an Enterprise Client Executive on my district team at NetApp. Amy is a results-driven professional who is very talented, passionate and knowledgeable. She possesses a distinct ability to penetrate and generate new revenue through innovative selling skills. Her passion for the customer is unmatched and her thirst for knowledge is one every Sales Professional should desire to possess. Her knowledge of her customer and their needs, as well as general business acumen and creativity, enabled our team to flourish and growing revenues in her accounts. She proved to be an invaluable resource to me and my team while at NetApp. She is a difference maker and would be an asset to anyone's organization.
