*“Tom’s specific data validation efforts... ensured... one of the most complicated... conversions was ready... His efforts... helped create and manage the cutover plan... for a successful go-live.”*

## **COMPANY RECOGNITIONS**

The quotations below are verbatim excerpts from the original written and spoken company recognitions. Ellipses (...) indicate omitted text only.

**2026**

**Tom Bishop**

Chief Investment & Financial Planning Officer

Nakupuna Solutions

*“Thomas' leadership and Max's development of automated Alteryx workflows enabled the accurate migration of more than 11 million ESAMS records across 10 critical modules. Their efforts kept the project on schedule, supported the Navy's successful transition to RMI, and contributed to an estimated \$5 million in annual cost savings... Their professionalism, teamwork, and technical expertise were instrumental to the success of this critical mission.”*

**2024**

**Mike Fogle**

President

Nakupuna Solutions

*“Thomas... migrated a ton of data ahead of schedule from four different shipyards... Thomas, thank you. I know that was a huge effort, and we appreciate it.”*

**2011**

**Chuck Thomas**

Vice President & General Manager

BAE Systems

*“Judges in the Support Solutions sector have selected you to receive a Bronze Award in the 2011 Chairman's Awards program. They determined your effort, Serious Incident Reporting (SIR), worthy of commendation among the many nominations... Please accept our personal gratitude for your dedication and tenacity...”*

**2003**

**William Newton IV**

CPI Program Manager

The Sigmon Group

*“Rich and Tom served in a challenging and demanding position at the U.S. NATO headquarters... The onsite team successfully overcame innumerable political, physical, language and cultural challenges... Most notably, the onsite team was able to develop a new structure in 4 months whereas another team with a similar task... had delivered a lesser product after over 18 months of effort.”*
