## NEED OF THE HOUR

# “World is One Family”

Sri Aurobindo had visualized the formation of a World Federation in 1947 itself. WCPA was formed in 1958, in Colorado, USA to perpetuate this idea and also to bring the global governance system under the Constitution for the Federation of the Earth. So WCPA has deep roots in

Indian values of Vasudhaiva Kutumbakam (World is One Family). Every State in India has a unit of WCPA which has been taking this mission ahead. Programs are organized to induct new members, felicitate contributors to humanity.

WCPA Shrirampur Chapter has been very actively pursuing the responsibility, conducting an event every alternate month. Dr.Datta Vighave has been spearheading the movement with support from Dr.Glen T Martin President and Prof. E P Menon and Prof.P N Murthy.

## SPECIAL EVENT

### Earth Federation is the Need of the hour

Addressing the audience at Shrirampur event, Prof. P N Murthy Vice President, said that India has already given the message “Vasudhaiva Kutumbakam” (World is One Family). Now to get the world federated and to get the global governance system under the Earth Constitution is the need of the hour.

# Environment and Climate issues are our priority

in 2023, world has seen a spate of natural calamities like higher environment pollution in global metros , unbelievable downpours, serious draughts, heatwave conditions, sudden cloud-bursts, major landslides, sinking towns, devastating floods etc. Major cause for all these is the utter disregard for clean and sustainable green environment. WCPA ha been a votary of preserving the green cover.

In line with the global agenda, WCPA India and the local chapters have been vehemently pursuing activities in this direction. WCPA Shrirampur

Chapter has been in the forefront in this by spreading social awareness of green environment. Some of our affiliated educational institutions have been giving us a helping hand. The above picture is a souvenir to demonstrate this. As part of the regular activity at the Shrirampur chapter, we can find dignitaries and celebrities joining the campaign. Hangzhou2022 gold medalist athlete Mr. Aslam Inamdar (center), well known Artist Mr. Bharat Kumar Udavant (Left) and Prof.Suvarna Bodke, Principal of a reputed School from Nasik, Maharashtra (Right) are planting a sapling at the event.

# Teachers to act as Change Makers

September 5th is “Techer’s Day” in India, celebrated in memory of Prof. Sarvepalli Radhakrishnan, one of the greatest teachers, philosopher, visionary who later became the President of India. It is a very popular story that when Dr. Sarvepalli Radhakrishnan was leaving the Mysore University to join as a professor at the University of Calcutta, he was taken in a flower-decked carriage that was pulled by his students all the way from the varsity to the railway station, which shows the affection and respect he earned as a professor at the Mysore University. Even this year WCPA

celebrated Teachers day, in Shirampur, by identifying ten teachers, who have been doing great service to society.

WCPA has been vigorously working on identifying and felicitating Change Makers in various fields of activities covered under the Earth Constitution. One such person on this occasion was a teacher Prof. Survarna Bodke, Principal Gokhale Education Society, High School and Junior College, Ozar, Nashik. Vidyaniketan Professional Academy of Indapur was awarded the Best Educational Institution, in recognition of their services.

# New Ambassadors of Peace and Global Governance

Sri Aurobindo, in his message on 15th August 1947, while describing his five dreams, mentions formation of a World Federation as his third dream. To build this he says "there must grow up an international spirit and outlook, international forms and institutions must appear, perhaps such developments as dual or multilateral citizenship, willed interchange or voluntary fusion of cultures..". WCPA in its pursuit to facilitate a democratic world federation, encourages people to enlist themselves as global citizens. While this being a continuous global initiative WCPA in India has been

working tirelessly to connect with people of the world. Sri Aurobindo had hoped ".....Here too India has begun to play a prominent part and, if she can develop that larger statesmanship which is not limited by the present facts and immediate possibilities but looks into the future and brings it nearer, her presence may make all the difference between a slow and timid and a bold and swift development...." Every day WCPA is connecting with energetic global citizens for this noble cause. Above is the picture from Shrirampur chapter event.

# Environment and Health

WCPA is particular about pollution and challenge climate collapse. “Ban the Plastic “ movement continues supported by Sardar Manjeet Singh Batra who promotes use of cloth bags .

Protecting Human Dignity is the core focus and WCPA has been encouraging business organisations to provide affordable services. Mr. Kim John, Managing Director, Happy Medicare, India, a South Korean Healthcare service provider, is felicitated for their contributions to healthcare services in rural areas.

# World Tourism Day

World Tourism day event on 27th September 2023, at Kolar District, Karnataka, India was organized by the District Administration, Government of Karnataka,. The event was supported by SVIMS Group of Institutions, which is a an affiliated body of WCPA.

District Officials Dr.Srinath, Asst Director, Tourism, GOK and Ms.Padma Basavanthappa, IAS ,CEO, Zilla Panchayat, Kolar addressed the college students and other invitees, who had assembled on the occassion. A batch of "Pravasi Mitra" (Tourism Police) also participated. Living legend, Peace Activist, Political thinker, teacher, writer and VP WCPA Prof. E P Menon shared his best experiences from his Global

Peace March of 1962-65. He narrated the horrors of nuclear destruction at Hiroshima and inspired by the clarion call given by the great philosopher Bertrand Russel to the youth of the world, he walked from Delhi-Moscow, England, Washington and Hiroshima, without a penny in his pocket, expressing how humanity took care of them.

Prof. P N Murthy, VP WCPA, while addressing the students on "Tourism- Green Investments" mentioned about the immense self-employment opportunities created by the Tourism sector. He also mentioned that students can be peace ambassadors, introducing Indian cultural values to the world.

Prof. Murthy shared Cultural specialties of Kolar District through a quiz, students participated enthusiastically. Mementos were distributed by Dr. Srinath, AD Tourism and Prof. E P Menon.

Prof.E P Menon emphasized the need of youth taking charge of building peaceful world. He narrated how, as a young boy he had set out on global mission, passport came in search of him and Visa issue was announced on the radio by the

neighboring nation. He attracted the attention of participants when he spoke of the power of satyagraha, in prison in Paris, which got their release. He mentioned how passengers on the ship stood in solidarity when they heard the news of assassination of President Kennedy.

## VISHVA SNEHI 2023

WCPA India has been active in building global consciousness among citizens by encouraging people to contribute in global cause. Periodically social contributors are being identified, felicitated. “Vishva Snehi”(Global Friend)is an Award for exemplary contributors. Three distinguished performers have been felicitated with “Vishva Snehi” award during October 2023.

### Mr.Aslam Inamdar - Athletics

Mr.Aslam Inamdar is a student of Ashoknagar College, a WCPA affiliated college, won a Gold Medal in athletic tournament (Kabaddi) in the Hangzhou 2022 events.

### Prof.Survarna Bodke - Education

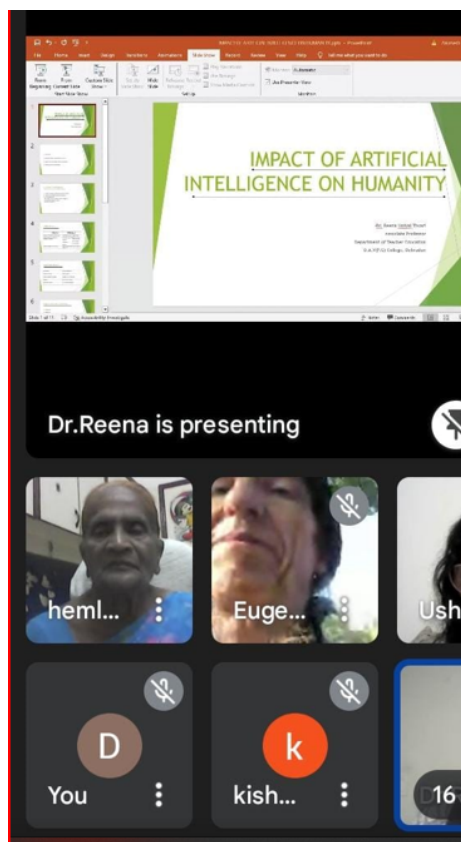

Prof. Suvarna Bodke, Principal Gokhale Education Society, High School and Junior College, Ozar, Nashik, Maharashtra. in recognition of her commitment to WCPA movement and support to our initiatives.
