TAXATION

Our experience in taxation allows us to provide you and your company with innovative and high-quality tax solutions. We advise, plan and define the applicable legal regime for certain operations or agreements.

- investigate and produce title search reports in order to provide our clients with the security of acquiring any real estate property.

We represent homeowners associations ("HOAs"), condominium projects and common interest developments. Our firm has an unparalleled understanding of the unique legal landscape faced by HOAs and their boards of directors. We have successfully represented our clients' interests in a variety of transaction and litigation matters.

FOREIGN INVESTMENT

Our deep knowledge of foreign investment laws and regulations allows us to adequately represent and comply with the obligations of foreign investors in their initial entry into Mexico, as well as in the incorporation and establishment of foreign companies in Mexico.

CORPORATE AND BUSINESS LAW

Our corporate and business legal practice offers value-added advice to the large number of clients who require advice to establish a presence in Mexico, performing any necessary task to comply with local, state and federal

- regulations that could affect the daily operation of the business.

We advise and represent our clients in all corporate aspects, corporate obligations, regulatory compliance, foreign investment, contract negotiation, franchises, obtaining, extension and cancellation of IMMEX programs, shareholders' meetings, agreements, amendments to bylaws, increase and decrease of capital stock and any other form of disposition, reorganization and, in general, the daily legal issues of a commercial company.

We have extensive experience in company statutory audits and diligence investigations for acquisitions, joint ventures, or other similar purposes.

CROSS-BORDER

We represent national and international clients and law firms in aspects of international business, trade and investment. We advise on matters of compliance with regulations, investigations, and contractual issues.

TRUST AND ESTATES

We design legal strategies for individuals and families to protect and pass on their wealth while minimizing the possibility of future legal action.

CIVIL AND COMMERCIAL LAW

Our team has recognized trial experience in the management of civil and commercial cases in trial, appellate and federal protection claim levels. We advise to seek the avenue most conducive to the desired outcome.

FAMILY LAW

We offer assessment and representation on family procedures such as dissolution of marriage, voluntary jurisdiction, adoptions, child support, guardianships, conflicts involving rights and duties of the parents over children, family estate, among others.

ADMINISTRATIVE LAW

We have depth of experience in the public sector, which enables the firm to assist clients in the advocacy of their administrative and tax agendas. We represent clients before government, regulatory, licensing and disciplinary agencies, and our understanding of the inner workings of such offices helps to ensure that our client's interests are not compromised.

EMPLOYMENT LAW

We advise with innovative solutions for the recruit and management of workforce and other labor tasks including labor audits, hygiene and security commissions, training commissions, internal controls to avoid sanctions or contingencies, as well as the preparation of the Internal Work Regulations before the Mexican Labor Authorities.

ADR

Our lawyers are experienced legal practitioners who frequently represent clients in ADR processes, including acting as mediators and arbitrators under ADR and arbitration institution, across a variety of key industry sectors.
