

MJ Biotech Inc. Ships Its First Purchase Order to Namibia Africa

CHEYENNE, WY / ACCESSWIRE / April 15, 2021 / MJ Biotech Inc. (OTC PINK:MJTV), has shipped its first Purchase Order of its COVID 19 Rapid Test Kit to Namibia, Africa. The Rapid Test Kit is a nasal swab test that produces test results in 10 minutes. This purchase order of 120 units is designed to facilitate an efficient method of delivery as the Purchase Orders increase in order quantity. This is an exciting time for the Company and for Invest Africa Global, as well.

As to African geographic locale, Namibia is located on the West Coast of Africa and north of South Africa and home to over 2,400,000 people.
