

MJ Biotech, Inc. Delivers Samples of Covid-19 Rapid Test Kits to Multiple Buyers in Africa

CHEYENNE, WY / ACCESSWIRE / February 3, 2021 / MJ Biotech, Inc. (OTC PINK:MJTV), is pleased to announce, samples of the Covid-19 Rapid Test Kits have been shipped and will arrive this week in The Republic of Namibia, in Southern Africa.

Our MJTV Africa sales representative, Invest Africa Global, LLC (IAG), is now expected to finalize the initial orders for the Covid-19 Rapid Test Kits.

Having the samples delivered to the potential buyers was the final step in securing the initial orders for the product. After the first transactions are completed, a seamless process will be in place to be able to move quickly on the numerous MJTV global and domestic transactions.

IAG will be representing MJ Biotech in multiple jurisdictions on the African Continent. They already have secured several potential business opportunities and enthusiasm for the Covid-19 Antibody Test Kit.
